The Innovator's Guide to Growth Scott D. Anthony 2008-07-01 More than a decade ago, Clayton Christensen's breakthrough book *The Innovator's Dilemma* illustrated how disruptive innovations drive industry transformation and market creation. Christensen's research demonstrated how growth-seeking incumbents must develop the capability to deflect disruptive attacks and seize disruptive opportunities. In *The Innovator's Guide to Growth*, Scott Anthony, Mark Johnson, Joseph Sinfield, and Elizabeth Altman take the subject to the next level: implementation. The authors explain how to create this crucial capability for unlocking disruption's transformational power. With a foreword by Christensen, this book provides a set of market-proven tools

and approaches to innovation that have been honed through fieldwork with innovative companies like Procter & Gamble, Johnson & Johnson, Pepsi, Intel, Motorola, SAP, and Cisco Systems. The book shows you how to: Follow a market-proven process -- so your company can reliably create blockbuster businesses Create structures, systems, and metrics -- so the disruptive innovations that will power your firm's future growth receive the funding and personnel needed to succeed Create a common language of disruptive innovation -- so managers can reach consensus around counterintuitive courses of action Incisive and practical, this book helps your company take the steps necessary to benefit from disruption -- instead of being eclipsed by it.

The Show and Tell That Changed the World Kayla Webb 2021-07-06 Instead of wishing away your beauty, why not embrace it? Catch a glimpse inside the lives of a group of diverse young ladies who share what makes them beautifully different. From a small girl who dreams of going to the moon to an amputee who loves to paint, this book will inspire you to find and embrace what makes you beautifully different. Why fit in when we were born to stand out?

Where the Wild Coffee Grows Jeff Koehler 2017-11-14 "Enchanting . . . An absorbing narrative of politics, ecology, and economics."--New York Times Book Review (Editor's Choice) Located between the Great Rift Valley and the Nile, the cloud forests in southwestern Ethiopia are the original home of Arabica, the most prevalent and superior of the two main species of coffee being cultivated today.

Virtually unknown to European explorers, the Kafa region was essentially off-limits to foreigners well into the twentieth century, which allowed the world's original coffee culture to develop in virtual isolation in the forests where the Kafa people continue to forage for wild coffee berries. Deftly blending in the long, fascinating history of our favorite drink, award-winning author Jeff Koehler takes readers from these forest beginnings along the spectacular journey of its spread around the globe. With cafés on virtually every corner of every town in the world, coffee has never been so popular--nor tasted so good. Yet diseases and climate change are battering production in Latin America, where 85 percent of Arabica grows. As the industry tries to safeguard the species' future, breeders are returning to the original coffee forests, which are under threat and swiftly shrinking. "The forests around Kafa are not important just

because they are the origin of a drink that means so much to so many," writes Koehler. "They are important because deep in their shady understory lies a key to saving the faltering coffee industry. They hold not just the past but also the future of coffee." "A must-read for coffee enthusiasts."-- Smithsonian (Best of the Year) "Reads like an engaging multimystery detective novel."--Wall Street Journal "Fascinating . . . How a local crop transformed into a global commodity."--Real Simple (Best of the Month) Coffee is one of the largest and most valuable commodities in the world. This is the story of its origins, its history, and the threat to its future, by the IACP Award-winning author of Darjeeling.

Keurig Eric T. Anderson 2016 From 2002 to 2011, coffee-machine manufacturer Keurig had grown from a privately held company with just over \$20 million in revenues to become a wholly owned

subsidiary of Green Mountain Coffee Roasters, a publicly traded company with net revenues of \$1.36 billion. This case examines the rapid rise of Keurig.

Beaches, Bungalows and Burglaries Tonya Kappes 2018-06-26 Welcome to Normal, Kentucky where nothing is normal. A Campers and Criminal Mystery Series is another brainchild of USA Today Bestselling Author Tonya Kappes. If you love her quirky southern characters and small town charm with a mystery to solve, you're going to love her new cozy mystery series! Mae West, a far cry from the Hollywood actress, has been thrown for a loop. Her plush lifestyle in the big city of New York comes to a screeching halt after the FBI raids her mansion and arrests her husband, Paul West, for a Ponzi scheme that rips people out of millions of dollars. Mae finds herself homeless, friendless, and penniless. All hope isn't lost. . .the only

thing Mae got to keep that the government didn't seize is a tourist camp ground, Happy Trails, in Normal, Kentucky and an RV to live in. One problem, Mae's idea of camping has room service. By the look of the brochure, Happy Trails has plush Kentucky Bluegrass, a crystal clear lake, a beach chair with her name on it and thoughts of how much money it could bring her after she sells it. Mae figures she'll take a couple weeks vacation with her toes dipped in the lake. Things aren't always as they appear. The Kentucky Bluegrass is nothing but dirt and the crystal clear lake is murky with green slime on top. Mae quickly find out that Happy Trails and the citizens of Normal were also victims of Paul's schemes, making her lower than the lake scum in the residents' eyes. Mae doesn't think things could get much worse, but as luck would have it, Paul West has escaped from prison and is found dead, murdered,

floating in the Happy Trails mucky green lake. Mae is the number one suspect on Detective Hank Sharp's short list. After all, Mae has the perfect motive as a kept wife who has been scorned to ashes, embarrassed to death, and seeking revenge. Time is running out for Mae to prove that she's innocent and nothing like her husband. If only she could get someone to believe her and talk Detective Sharp into looking at other residents who've lost all their savings to Paul's Ponzie scheme before the curtain is closed on this Hollywood namesake.

The Cure for the "Perfect" Life Kathi Lipp 2014-08-01 Do you know a woman who works her heart out but never gets anything "just right"? Who feels like she falls short of being the Christian wife, mother, daughter, and friend she longs to be? Sound like anyone you know? Perhaps even the girl in the mirror? If so, Cheri Gregory and Kathi

Lipp have good news for you. You're not a bad person. You've simply been obeying some really bad rules for far too long, rules that promised paradise but misled you into perfectionism, people-pleasing, and procrastination prison. But you don't have to stay stuck in discouragement and resentment. Escape is possible. Rescue is waiting. This sassy self-help guide offers been-there-felt-that, girlfriend-to-girlfriend empathy and experience that will help you tell the difference between reasonable rules and bad rules identify the bad rules you need to break discover biblical wisdom to overcome the bad rules in your life As you stop trying to measure up so that others will be impressed, you'll experience what it means to "let the peace of Christ rule in your heart."

Ask a Manager Alison Green 2018-05-01

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional

conversations—featuring all-new advice!

There's a reason Alison Green has been called "the Dear Abby of the work world."

Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it •

you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred

review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*
Joy of Cooking Irma S. Rombauer 1975 An illustrated cooking book with hundreds of recipes.

The Three-Box Solution Vijay Govindarajan 2016-04-26 How to Innovate and Execute Leaders already know that innovation calls for a different set of activities, skills, methods, metrics, mind-

sets, and leadership approaches. And it is well understood that creating a new business and optimizing an already existing one are two fundamentally different management challenges. The real problem for leaders is doing both, simultaneously. How do you meet the performance requirements of the existing business—one that is still thriving—while dramatically reinventing it? How do you envision a change in your current business model before a crisis forces you to abandon it? Innovation guru Vijay Govindarajan expands the leader’s innovation tool kit with a simple and proven method for allocating the organization’s energy, time, and resources—in balanced measure—across what he calls “the three boxes”:

- Box 1: The present—Manage the core business at peak profitability
- Box 2: The past—Abandon ideas, practices, and attitudes that could inhibit innovation
- Box

3: The future—Convert breakthrough ideas into new products and businesses The three-box framework makes leading innovation easier because it gives leaders a simple vocabulary and set of tools for managing and measuring these different sets of behaviors and activities across all levels of the organization. Supported with rich company examples—GE, Mahindra & Mahindra, Hasbro, IBM, United Rentals, and Tata Consultancy Services—and testimonies of leaders who have successfully used this framework, this book solves once and for all the practical dilemma of how to align an organization on the critical but competing demands of innovation.

Wellness by Design Jamie Gold
2020-09-01 Design your home to optimize your healthy lifestyle with this room-by-room guide from certified kitchen designer and wellness design consultant Jamie Gold.

Like a lot of folks these days, you're committed to maintaining a healthy lifestyle. You watch your diet, stay active, meditate, and surround yourself with positive people. So why should your home be any different? Residential designer Jamie Gold has spent years defining the exciting new field of wellness design, which explores how simple changes to things like lighting, fixtures, storage, and outdoor space can make a huge difference in how you feel every day. *Wellness by Design* offers a room-by-room guide to refreshing your space so that it supports muscle and bone health, encourages clean eating, prevents disease, and promotes safety, fitness, serenity, and joy. Whether you're training for a marathon or recovering from an injury, building your dream home or decorating your new rental, the design of your home can help—or hinder—your active lifestyle. This book will help you keep your

fitness goals and stay on track for a long and healthy life.

Coffee Culture Catherine M. Tucker

2017-01-20 Coffee Culture: Local experiences, Global Connections explores coffee as (1) a major commodity that shapes the lives of millions of people; (2) a product with a dramatic history; (3) a beverage with multiple meanings and uses (energizer, comfort food, addiction, flavouring, and confection); (4) an inspiration for humor and cultural critique; (5) a crop that can help protect biodiversity yet also threaten the environment; (6) a health risk and a health food; and (7) a focus of alternative trade efforts. This book presents coffee as a commodity that ties the world together, from the coffee producers and pickers who tend the plantations in tropical nations, to the middlemen and processors, to the consumers who drink coffee without ever having to think about how the drink

reached their hands.

One-Minute Tips Unclutter Your Mind

Donna Smallin 2006-01-01 A calm, uncluttered mind is the best defense against the stresses of contemporary life. Donna Smallin, who has already helped thousands of people organize their homes, now takes on the emotional and psychological clutter that can get in the way of living a balanced, rewarding life. A focused mind may be a tall order, but Smallin, with her special gift for seeing the quick solutions to all kinds of clutter, offers 500 quick tips and creative ideas to help busy people clear away unnecessary worries, daily stresses, and unproductive habits. In just a few minutes each day, anyone can reduce anxiety and find time for a simpler, more rewarding life. Organized into two broad sections, Clear Out and Keep It Clear, Smallin's helpful tips inspire readers first to clear the daily mental

clutter, then to keep the stress at bay and cultivate authentic joy. The quick solutions address such common problems as setting goals, regaining control, nurturing relationships, accepting mistakes, reducing debt, and organizing physical clutter. And, most importantly, every suggestion can be part of the busiest day. These days, when everybody is struggling to keep up with growing to-do lists, *The One-Minute Organizer to Unclutter Your Mind* offers real help for busy people seeking a brief respite from all the noise.

Deja You Bianca Schwarz 2017-01-26 In *D&J You*, five authors share stories of second chances, as varied in telling as the writers themselves. Kelly Cain's *We'll Always Have Oahu* takes us on a whirlwind New Adult romance set in the 80s between a young woman on a high school graduation trip and a handsome Navy sailor. Bianca M. Schwarz transports us to 1760 in *The Pearl*

with the story of Marcus Landover, who attends a card party and ends up with more than he bargained for in the beautiful *Sophia Chelmsford*. Amanda Linsmeier's *Joy and Sorrow* reunites lovers separated by death in a Women's Fiction tinged with the unusual. *The Eyes of the Heart* by Jamie McLachlan gives us Rosalina, who is forced to confront her attraction and the truth about her blindness when a new gardener is hired at the Greystone house. Finally, C.H. Armstrong brings us *Mr. Midnight*, where tragedy reunites two star-crossed lovers, but misunderstandings soon rip them apart. Now, six years later, the stars are realigning with the help of the smooth voice of a late night radio DJ. Some of the stories are sweet, some sad, some steamy, but all carry the same theme. *D&J You* is a collection of stories for those who believe in love, but most of all, second chances.

Remarkables Margaret Peterson Haddix

2019-09-24 New York Times bestselling author Margaret Peterson Haddix, the master of cliffhangers, delivers a pulse-pounding mystery perfect for fans of Jacqueline West and Kat Yeh, full of secrets, surprises, and the power of family. One minute they're there: laughing and having fun at the house next door. The next minute, the teens are gone. Like magic. Marin can't believe her eyes. Who are they? Can anyone else see them? What makes them so happy? Marin is lonely in this new town of hers and eager to figure out more. Then she meets Charley, who reveals that he knows about them, too. He calls them the "Remarkables." Charley warns her to stay away from the Remarkables—and him. Charley and Marin both have painful secrets they're holding on to, but could solving the mystery of the Remarkables help them both? In addition to building an intriguing world filled with mystery, Haddix

also grounds the story with real issues that many children face. Characters deal with the complexities of bullying, the guilt children experience when parents have addiction issues, and the uplifting power found in strong families of all shapes and sizes.

Make a Scene Jordan Rosenfeld 2007-11-23
Write Scenes that Move Your Story
Forward In Make a Scene, author Jordan E. Rosenfeld takes you through the fundamentals of strong scene construction and explains how other essential fiction-writing techniques, such as character, plot, and dramatic tension, must function within the framework of individual scenes in order to provide substance and structure to the overall story. You'll learn how to: Craft an opening scene that hooks readers and foreshadows supporting scenes Develop various scene types - from the suspenseful to the dramatic to the contemplative - that

are distinct and layered Tailor character and plot around specific scene types to better convey the nuances of your storyline Create resonating climactic and final scenes that stay with readers long after they've finished your work

The Magnetic Leader Roberta Chinsky Matuson 2017-03-03 Employees don't work for companies; they work for people. The more irresistible you are as a leader, the more pull you have for employees to want to stay and for your customers to remain loyal. In *The Magnetic Leader*, Roberta Matuson asks us to consider that the quality of a company's leadership is the most important factor in attracting and retaining high-quality employees. Matuson has spent 20 years helping organizations achieve both market leadership and dynamic growth by maximizing the talent they already have, in addition to creating a magnetic environment that attracts high-

caliber new hires. Many are searching for a magical formula, but the fact is that the answer lies inside businesses' organizations. Instead of offering crazy perks, companies need to focus on the one perk they can't get anywhere else, which is the opportunity to work with a truly magnetic leader. *The Magnetic Leader* aids readers in transforming their leadership style from push to pull, repel to attract, dismal to good, and then good to great. They'll become magnetic leaders who attract the cream of the crop and ultimately create legions of loyal, talented superstars eager to beat the competition.

Black Swan Affair K. L. Kreig 2016-09 I've loved him as long as I can remember. The gangly boy with big brown eyes and unruly hair who grew up into an intoxicating man. He wears scruff like he invented it and ambles with a swagger that makes panties drop. Killian Shepard. Shep. We grew up

together. We played Ghost in the Graveyard. Had our own rock band. It didn't matter that he was five years older than me. It didn't matter that he looked at me as a kid sister even as I grew into woman. It didn't even matter when he left me behind to go to college and start his adult life. He'd be back. He was always meant to be mine. He came back, all right. But instead of smelling of promises, he stunk of betrayal. And he destroyed me—the day he married my sister instead of me. So I did the only thing a girl like me in my position could do. I got my revenge. I married his brother, Kael. Now we're one big happy f**king family.

The Pegan Diet Dr. Mark Hyman
2021-02-23 Twelve-time New York Times bestselling author Mark Hyman, MD, presents his unique Pegan diet—including meal plans, recipes, and shopping lists. For decades, the diet wars have pitted

advocates for the low-carb, high-fat paleo diet against advocates of the exclusively plant-based vegan diet and dozens of other diets leaving most of us bewildered and confused. For those of us on the sidelines, trying to figure out which approach is best has been nearly impossible—both extreme diets have unique benefits and drawbacks. But how can it be, we've asked desperately, that our only options are bacon and butter three times a day or endless kale salads? How do we eat to reverse disease, optimal health, longevity and performance. How do we eat to reverse climate change? There must be a better way! Fortunately, there is. With The Pegan Diet's food-is-medicine approach, Mark Hyman explains how to take the best aspects of the paleo diet (good fats, limited refined carbs, limited sugar) and combine them with the vegan diet (lots and lots of fresh, healthy veggies) to create a delicious diet that is not only good for

your brain and your body, but also good for the planet. Featuring thirty recipes and plenty of infographics illustrating the concepts, *The Pegan Diet* offers a balanced and easy-to-follow approach to eating that will help you get, and stay, fit, healthy, focused, and happy—for life.

The Organically Clean Home Becky Rapinchuk 2014-03-18 As seen in *Real Simple*, *Shape Magazine*, and on *Oprah.com* Cleaning products that save money--and the planet! you through the steps needed to make these everyday necessities--without spending a fortune. Complete with simple instructions for packaging and storing your homemade cleaners, you'll enjoy turning each room into a beautiful and toxic-free space with fresh-scented products like: Lemon and clove hardwood floor cleaner No-bleach laundry whitener and brightener Peppermint glass and mirror wipes Lavender and lemon bathroom disinfecting spray Citrus foaming hand soap With *The Organically Clean Home*, you'll save hundreds of dollars every month--and have a clean, healthy home that you and your family can feel good about.

Don't Make Me Think Steve Krug 2009-08-05 Five years and more than 100,000 copies after it was first published, it's hard to imagine anyone working in Web design who hasn't read Steve Krug's "instant classic" on Web usability, but

people are still discovering it every day. In this second edition, Steve adds three new chapters in the same style as the original: wry and entertaining, yet loaded with insights and practical advice for novice and veteran alike. Don't be surprised if it completely changes the way you think about Web design. Three New Chapters! Usability as common courtesy -- Why people really leave Web sites Web Accessibility, CSS, and you -- Making sites usable and accessible Help! My boss wants me to _____. -- Surviving executive design whims "I thought usability was the enemy of design until I read the first edition of this book. Don't Make Me Think! showed me how to put myself in the position of the person who uses my site. After reading it over a couple of hours and putting its ideas to work for the past five years, I can say it has done more to improve my abilities as a Web designer than any other book. In this

second edition, Steve Krug adds essential ammunition for those whose bosses, clients, stakeholders, and marketing managers insist on doing the wrong thing. If you design, write, program, own, or manage Web sites, you must read this book." -- Jeffrey Zeldman, author of Designing with Web Standards

Hairpin Curves Elia Winters 2020-07-28
"RITA award winner Winters crafts an insightful second-chance romance that works all the better for the wish fulfilment of its premise." —Publishers Weekly Megan Harris had hopes of seeing the world, but at twenty-five she's never even left Florida. Now a wedding invitation lures her to Quebec . . . in February. When her ex-friend Scarlett offers to be her plus-one (yeah, that's a whole story) and suggests they turn the journey into an epic road trip, Megan reluctantly agrees to the biggest adventure of her life. A week together in a car is a

surefire way to kill a crush, and Scarlett Andrews has had a big one on Megan for years. The important thing is fixing their friendship. As the miles roll away, what starts as harmless road-trip games and rest-stop dares escalates into something like intimacy. And when a surprise snowstorm forces Megan and Scarlett to hunker down without the open road as distraction, they've got a bigger challenge than making it to the church on time: facing the true nature of their feelings for each other.

Cook with Matcha and Green Tea Kei Nishida 2018-05 A book about homemade recipes using the amazing matcha & green tea that every American can enjoy at home. The recipes in this wonderful cook book by Kei Nishida highlight the uses of matcha and green tea as main ingredients. It educates and informs readers on the essence and importance of green tea to health and our overall well-being. Readers

gain basic knowledge needed about brewing tea, modernized varieties of green tea beverages such as smoothies and cocktails and pastries such as bread, cakes and making of sweets. The book also has over 200 clear images of most of the ingredients and food mentioned so that readers can get a vivid visualization and step-by-step guide on all the recipes given.

Dominance Will Lavender 2012-09-11 Attending a controversial literary mystery night class taught by a professor who has been convicted of murder, Alex Shipley unravels an elaborate literary hoax that acquits the teacher, only for her to be targeted years later by a determined killer. *Jack Kerouac and Allen Ginsberg* Jack Kerouac 2010-07-08 The first collection of letters between the two leading figures of the Beat movement Writers and cultural icons Jack Kerouac and Allen Ginsberg are the most celebrated names of the Beat

Generation, linked together not only by their shared artistic sensibility but also by a deep and abiding friendship, one that colored their lives and greatly influenced their writing. Editors Bill Morgan and David Stanford shed new light on this intimate and influential friendship in this fascinating exchange of letters between Kerouac and Ginsberg, two thirds of which have never been published before. Commencing in 1944 while Ginsberg was a student at Columbia University and continuing until shortly before Kerouac's death in 1969, the two hundred letters included in this book provide astonishing insight into their lives and their writing. While not always in agreement, Ginsberg and Kerouac inspired each other spiritually and creatively, and their letters became a vital workshop for their art. Vivid, engaging, and enthralling, *Jack Kerouac and Allen Ginsberg: The Letters* provides an unparalleled portrait of

the two men who led the cultural and artistic movement that defined their generation.

Superconsumers Eddie Yoon 2016-11-29
Pork dorks. Craftsters. American Girl fans. Despite their different tastes, these eclectic diehards have a lot in common: they're obsessed about a specific brand, product, or category. They pursue their passions with fervor, and they're extremely knowledgeable about the things they love. They aren't average consumers—they're superconsumers. Although small in number, superconsumers can have an outsized impact on a company's bottom line. Representing 10% of total consumers, they can drive between 30% to 70% of sales, and they're usually willing to spend considerably more than the average consumer. And because they're so engaged and passionate, they can offer invaluable advice to managers looking to improve their

products, change their business models, energize their cultures, and attract new customers. In *Superconsumers*, growth strategy expert Eddie Yoon lays out a simple but extremely effective framework that has helped companies of all types and sizes achieve more sustainable growth: he'll show you how to find, listen to, and engage with your most passionate and profitable consumers, and then tailor your decisions to meet their wants and needs. Along the way, he'll let you into the minds and homes of superconsumers of all kinds, revealing what makes them tick and why they're willing to spend so much more than other consumers. Rich with data and case studies of companies that have implemented superconsumer strategies with great success, *Superconsumers* is a fun, practical, and inspiring guide for anyone interested in making their best customers even better. *So Close to Being the Sh*t, Y'all Don't Even*

Know Retta 2018-05-29 In her hilarious book of essays, Parks and Recreation star Retta shares the stories that led to her success in Hollywood. In *So Close to Being the Sh*t, Y'all Don't Even Know*, Parks and Recreation star Retta takes us on her not-so-meteoric rise from roaches to riches (well, rich enough that she can buy \$15,000 designer handbags yet scared enough to know she's always a heartbeat away from ramen with American cheese). Throwing her hard-working Liberian parents for a loop, Retta abandons her plan to attend med school after graduating Duke University to move to Hollywood to star in her own sitcom—like her comedy heroes Lucille Ball and Roseanne. Say what? Word. Turns out Retta might actually be on to something. After winning Comedy Central's stand-up competition, she should be ready for prime time—but a fear of success derails her biggest dream. Whether

reminiscing about her days as a contract chemist at GlaxoSmithKline, telling “dirty” jokes to Mormons, feeling like the odd man out on Parks, fending off racist trolls on Twitter, flirting with Michael Fassbender, or expertly stalking the cast of "Hamilton," Retta’s unique voice and refreshing honesty will make you laugh, cry, and laugh so hard you’ll cry. Her eponymous sitcom might not have happened yet, but by the end of *So Close to Being the Sh*t*, you’ll be rooting for Retta to be the next one-named wonder to take over your television. And she just might inspire you to reach for the stars, too.

What's Not to Love Emily Wibberley

2021-04-20 In the game of love, there’s always room for extra credit An enemies-to-lovers YA rom-com filled with perfect banter, nerdy drama, and heart-pounding romance—perfect for fans of Morgan Matson, Emma Lord, and Sandhya Menon. Since high school began, Alison Sanger and Ethan Molloy have competed on almost everything. AP classes, the school paper, community service, it never ends. If Alison could avoid Ethan until graduation, she would. Except, naturally, for two over-achieving seniors with their sights on valedictorian and Harvard, they share all the same classes and extracurriculars. So when their school's principal assigns them the task of co-planning a previous class's ten-year reunion, with the promise of a recommendation for Harvard if they do, Ethan and Alison are willing to endure one more activity together if it means beating the other out of the lead. But with all this

extra time spent in each other's company, their rivalry begins to feel closer to friendship. And as tension between them builds, Alison fights the growing realization that the only thing she wants more than winning . . . is Ethan

Pandora's Lab Paul A. Offit MD

2017-04-04 What happens when ideas presented as science lead us in the wrong direction? History is filled with brilliant ideas that gave rise to disaster, and this book explores the most fascinating—and significant—missteps: from opium's heyday as the pain reliever of choice to recognition of opioids as a major cause of death in the U.S.; from the rise of trans fats as the golden ingredient for tastier, cheaper food to the heart disease epidemic that followed; and from the cries to ban DDT for the sake of the environment to an epidemic-level rise in world malaria. These are today's sins of science—as deplorable as mistaken past

ideas about advocating racial purity or using lobotomies as a cure for mental illness. These unwitting errors add up to seven lessons both cautionary and profound, narrated by renowned author and speaker Paul A. Offit. Offit uses these lessons to investigate how we can separate good science from bad, using some of today's most controversial creations—e-cigarettes, GMOs, drug treatments for ADHD—as case studies. For every "Aha!" moment that should have been an "Oh no," this book is an engrossing account of how science has been misused disastrously—and how we can learn to use its power for good.

The Club Ellery Lloyd 2022-03-01 A REESE'S BOOK CLUB PICK INSTANT NEW YORK TIMES BESTSELLER "Are you ready for the roller coaster ride that is The Club? . . . A beautifully written, densely plotted murder mystery that takes place at a private club off the coast of England. Read

about a luxurious, celeb-only island during a weekend of partying and ultimately murder.” —Reese Witherspoon (Reese’s Book Club March ’22 Pick) From the author of *People Like Her* comes a smart and sinister murder mystery set in the secretive world of exclusive celebrity clubs.

Everyone's Dying to Join . . . The Home Group is a glamorous collection of celebrity members' clubs dotted across the globe, where the rich and famous can party hard and then crash out in its five-star suites, far from the prying eyes of fans and the media. The most spectacular of all is Island Home—a closely-guarded, ultraluxurious resort, just off the English coast—and its three-day launch party is easily the most coveted A-list invite of the decade. But behind the scenes, tensions are at breaking point: the ambitious and expensive project has pushed the Home Group's CEO and his long-suffering team to their absolute limits.

All of them have something to hide—and that's before the beautiful people with their own ugly secrets even set foot on the island. As tempers fray and behavior worsens, as things get more sinister by the hour and the body count piles up, some of Island Home’s members will begin to wish they’d never made the guest list. Because at this club, if your name’s on the list, you’re not getting out.

Production and Operations

Management Systems Sushil Gupta
2014-02-07 Since the beginning of mankind on Earth, if the "busyness" process was successful, then some form of benefit sustained it. The fundamentals are obvious: get the right inputs (materials, labor, money, and ideas); transform them into highly demanded, quality outputs; and make it available in time to the end consumer. Illustrating how operations relate to the rest of the organization,

Production and Operations Management Systems provides an understanding of the production and operations management (P/OM) functions as well as the processes of goods and service producers. The modular character of the text permits many different journeys through the materials. If you like to start with supply chain management (Chapter 9) and then move on to inventory management (Chapter 5) and then quality management (Chapter 8), you can do so in that order. However, if your focus is product line stability and quick response time to competition, you may prefer to begin with project management (Chapter 7) to reflect the continuous project mode required for fast redesign rapid response. Slides, lectures, Excel worksheets, and solutions to short and extended problem sets are available on the Downloads / Updates tabs. The project management component of P/OM is no longer an

auxiliary aspect of the field. The entire system has to be viewed and understood. The book helps students develop a sense of managerial competence in making decisions in the design, planning, operation, and control of manufacturing, production, and operations systems through examples and case studies. The text uses analytical techniques when necessary to develop critical thinking and to sharpen decision-making skills. It makes production and operations management (P/OM) interesting, even exciting, to those who are embarking on a career that involves business of any kind.

Guide to Lean Six Sigma If you're a business manager, you already know that Lean Six Sigma is one of the most popular and powerful business tools in the world today. You also probably know that implementing the process can be more than a little challenging. This step-by-step guide shows you how to customize and apply the principles of Lean Six Sigma to your own organizational needs, giving you more options, strategies, and solutions than you'll find in any other book on the subject. With these simple, proven techniques, you can: *

- * Assess your current business model and shape your future goals
- * Plan and prepare a Lean Six Sigma program that's right for your company
- * Engage your leadership and your team throughout the entire process
- * Align your LSS efforts with the culture and values of your business
- * Develop deeper insights into your customer experience
- * Master the art of project

selection and pipeline management * Tackle bigger problems and find better solutions * Become more efficient, more productive, and more profitable This innovative approach to the Lean Six Sigma process allows you to mold and shape your strategy as you go, making small adjustments along the way that can have a big impact. In this book, you'll discover the most effective methods for deploying LSS at every level, from the leaders at the top to the managers in the middle to the very foundation of your company culture. You'll hear from leading business experts who have guided companies through the LSS process—and get the inside story on how they turned those companies around. You'll also learn how to use the latest, greatest management tools like Enterprise Kaizen, Customer Journey Maps, and Hoshin Planning. Everything you need to implement Lean Six Sigma—smoothly and successfully—is right

here at your fingertips. When it comes to running a business, there is no better way to improve efficiency, increase productivity, and escalate profits than Lean Six Sigma. And there is no better book on how to make it work than Innovating Lean Six Sigma. Making Work Human: How Human-Centered Companies are Changing the Future of Work and the World Eric Mosley 2020-10-06 How do you keep your employees engaged, creative, innovative, and productive? Simple: Work human! From the pioneers of the management strategy that's transforming businesses worldwide, Making Work Human shows how to implement a culture of performance and gratitude in the workplace—and seize a competitive edge, increase profitability, and drive business momentum. Leaders of Workhuman, the world's fastest-growing social recognition and continuous performance management platform, Eric

Mosley and Derek Irvine use game-changing data analytics to prove that when a workplace becomes more “human”—when it's fueled by a culture of gratitude—measurable business results follow. In Making Work Human, they show you how to: Apply analytics and artificial intelligence in ways that make work more human, not less Expand equity, diversity, and inclusion initiatives and strategies to include a wider range of backgrounds, life experiences, and capabilities Use recognition as an actionable strategy to create a truly inclusive, connected culture “The qualities that make us most human—connection, community, positivity, belonging, and a sense of meaning—have become the corporate fuel for getting things done—for innovating, for thriving in the global marketplace, and for outperforming the competition,” the authors write. By building a sense of

belonging, purpose, meaning, happiness, and energy in every employee, you'll create a profound connection between your organization and its goals. And Making Work Human provides everything you need to get there.

Business Ethics O. C. Ferrell 1990-12
The Edge of Nowhere Wr C. H. Armstrong
2016-01-15 The year is 1992 and Victoria Hastings Harrison Greene--reviled matriarch of a sprawling family--is dying. After surviving the Oklahoma Dust Bowl and the Great Depression, Victoria refuses to leave this earth before revealing the secrets she's carried for decades. Once the

child of a loving family during peaceful times, a shocking death shattered her life. Victoria had to come face to face with the harshness of the world. As the warm days of childhood receded to distant memory, Victoria learns to survive. No matter what it takes. To keep her family alive in an Oklahoma blighted by dust storms and poverty, Victoria makes choices--harsh ones, desperate ones. Ones that eventually made her into the woman her grandchildren fear and whisper about. Ones that kept them all alive. Hers is a tale of tragedy, love, murder, and above all, the conviction to never stop fighting.
Keeping Lucy T. Greenwood 2019-08-06
"This story will have readers not only rooting for Ginny and Lucy, but thinking about them long after the last page is turned." -- Lisa Wingate, New York Times Bestselling Author of Before We Were Yours
PopSugar's 30 Must-Read Books of 2019

Good Housekeeping's 25 Best New Books for Summer 2019 Better Homes & Gardens 13 New Books We Can't Wait to Read This Summer The heartbreaking and uplifting story, inspired by incredible true events, of how far one mother must go to protect her daughter. Dover, Massachusetts, 1969.

Ginny Richardson's heart was torn open when her baby girl, Lucy, born with Down Syndrome, was taken from her. Under pressure from his powerful family, her husband, Ab, sent Lucy away to Willowridge, a special school for the "feeble-minded." Ab tried to convince Ginny it was for the best. That they should grieve for their daughter as though she were dead. That they should try to move on. But two years later, when Ginny's best friend, Marsha, shows her a series of articles exposing Willowridge as a hell-on-earth--its

squalid hallways filled with neglected children--she knows she can't leave her daughter there. With Ginny's six-year-old son in tow, Ginny and Marsha drive to the school to see Lucy for themselves. What they find sets their course on a heart-racing journey across state lines—turning Ginny into a fugitive. For the first time, Ginny must test her own strength and face the world head-on as she fights Ab and his domineering father for the right to keep Lucy. Racing from Massachusetts to the beaches of Atlantic City, through the Blue Ridge Mountains of Virginia to a roadside mermaid show in Florida, Keeping Lucy is a searing portrait of just how far a mother's love can take her. "A heartrending yet inspiring novel that kept me reading late into the night." —Kristina McMorris, New York Times bestselling author of Sold on a Monday and The Edge of Lost
