Congregational Song in the Worship of the Church William L. Hooper 2020-03-20 This book is a study of how congregational song developed and has been used in the worship of Western churches in general and specifically churches in the United States. Beginning with the worship of ancient peoples, the Hebrews, and early Christians and continuing to the present, the author examines historically how song has been and is used as an intentional sacred ritual action, like prayer or Scripture reading. Written primarily as an introductory text for college and seminary students, the overall goal is to make a historical journey with the people, events, and ideas from which have evolved the various types of song we have in American worship today. To help readers think more deeply about the material, study questions are given at the end of each chapter.

Guide to Manuscripts Collections & Institutional Records in Ohio David R. Larson 1974

The Columbia Guide to America in the 1960s David Farber 2003-04-09 The 1960s continue to be the subject of passionate debate and political controversy, a touchstone in struggles over the meaning of the American past and the direction of the American future. Amid the polemics and the myths, making sense of the Sixties and its legacies presents a challenge. This book is for all those who want to take it on. Because there are so many facets to this unique and transformative era, this volume offers multiple approaches and perspectives. The first section gives a lively narrative overview of the decade's major policies, events, and cultural changes. The second presents ten original interpretative essays from prominent historians about significant and controversial issues from the Vietnam War to the sexual revolution, followed by a concise encyclopedia articles organized alphabetically. This section could stand as a reference work in itself and serves to supplement the narrative. Subsequent sections include short topical essays, special subjects, a brief chronology, and finally an extensive annotated bibliography with ample information on books, films, and electronic resources for further exploration. With interesting facts, statistics, and comparisons presented in almanac style as well as the expertise of prominent scholars, The Columbia Guide to America in the 1960s is the most complete guide to an enduringly fascinating era.

Choir Guide 1947

Christian Writers' Market Guide 2011 Sally E. Stuart 2010-12-27 The only guide written exclusively for this specialized market, this title provides the most up-to-date marketing resource information available to beginning and advanced writers, freelancers, editors, publishers, publicists, and all others interested in, or involved with, writing.

Calling Evil Good Spencer Smith 2017-11-08 Contemporary Christian music is the innovation of the hour in our age of church history and has even gained a strong foothold in our bible believing churches. When a fundamental church institutes CCM as it¿s musical style, it always moves that church into new evangelicalism. As a result reverent worship disappears, sound doctrine declines, and holy living is despised. Why does this happen? This wonderfully written book will give you the answer. Missionary Spencer Smith confronts the issues with a loving approach that instructs the reader on public and private Biblical standards concerning music. In his research he has met many CCM ¿artists¿ that reinforce the case being presented and many of those stories are laid out for you. Although our world may be changing and many church services have become similar to that of a circus, God has not left us without a musical blueprint to practice. Although some may attempt to muddy the waters, this book washes away all the filth, so that we might see Jesus. This excellent volume should be read, reread, and applied. Brian R. JacksonSenior PastorBroadway Baptist Church Muskegon, Michigan

The Lezory Files Safari Ann Jones 2007-06 Lesbian Story, that includes poetry.The Lezory Files is a story of tragedy, love, lust and lesbianism. This story focus's on the true story of two African American lesbians. The story begins in childhood and trancends into the adulthood of Safari and Rose.

A Beastly Christmas John O. Eby 2005-10-01 Centering around the theme of the familiar song ?The Friendly Beasts, ? this intriguing program depicts what the animals who witnessed Jesus? birth might really have been thinking -- if they had human minds. There's humorous interplay among camels, sheep, cows, and the donkey that carried the pregnant Mary as they share their unique perspective on the nativity. This complete presentation allows many different parts of the congregation to participate; speaking roles can be performed in a readers? theater format by adults or youth, young children can portray the humans at the manger in a silent tableau, and musical selections allow the choir to be involved as well. A special feature is more than 70 reproducible drawings that can be projected for audience viewing. (Purchase of this book includes access to a downloadable PowerPoint file for use in performances.) A additional five-copy package of supplementary coloring books for young children is also available.

The Devil's Music Randall J. Stephens 2018-03-19 When rock 'n' roll emerged in the 1950s, ministers denounced it from their pulpits and Sunday school teachers warned of the music's demonic origins. The big beat, said Billy Graham, was "ever working in the world for evil." Yet by the early 2000s Christian rock had become a billion-dollar industry. The Devil's Music tells the story of this transformation. Rock's origins lie in part with the energetic Southern Pentecostal churches where Elvis, Little Richard, James Brown, and other pioneers of the genre worshipped as children. Randall J. Stephens shows that the music, styles, and ideas of tongue-speaking churches powerfully influenced these early performers. As rock 'n' roll's popularity grew, white preachers tried to distance their flock from this "blasphemous jungle music," with little success. By the 1960s, Christian leaders feared the Beatles really were more popular than Jesus, as John Lennon claimed. Stephens argues that in the early days of rock 'n' roll, faith served as a vehicle for whites' racial fears. A decade later, evangelical Christians were at odds with the counterculture and the antiwar movement. By associating the music of blacks and hippies with godlessness, believers used their faith to justify racism and conservative politics. But in a reversal of strategy in the early 1970s, the same evangelicals embraced Christian rock as a way to express Jesus's message within their own religious community and project it into a secular world. In Stephens's compelling narrative, the result was a powerful fusion of conservatism and popular culture whose effects are still felt today.

Guide to African American Resources at the Pennsylvania State Archives Ruth E. Hodge 2000 "Some of the topics described in this guide are : abolition and abolitionists, affirmative action, African American colleges and universities ..., almshouses, business, census, certification and licensing ..., charitable and beneficial organization, civil rights, churches, corporations, county records, court records, education, governors' papers, governmental records, Habeas Corpus papers, historical events, historical markers, homes and hospitals, industries ..., legislators, marriages, migrant labor, military, music, prisons, slavery and slaves, sports, underground railroad, veterans' schools ..., women's activities and organizations, and the Work Projects Administration programs"--Introduction.

Singing God's Words Jeffrey Summit 2016-06-01 Singing God's Words is the first in-depth study of the experience and meaning of chanting or "reading" Torah among contemporary American Jews. This experience has been transformed dramatically in recent years by the impact of digital technology, feminism, the empowerment of lay people and a search for self-fulfillment through involvement with community. At a time when worshippers seek deeper spiritual experience, many Jews have found new meaning in the experience of reading Torah, an act that is broadly accessible to Jewish adults even as it requires intensive immersion with the text of the Bible in Hebrew. This book examines why and how growing numbers of American Jews in all denominations see the public chanting of Biblical texts during the synagogue service as one of the most authentic and personal expressions of their religious identity. Drawing on hundreds of interviews with men and women, both professionals and congregants, Jeffrey A. Summit describes how the reading of Torah embodies their understanding of historical religious practice, even as it is shaped by contemporary views of spiritual experience. Through this act, holiness becomes manifest at the intersection of Biblical chant, sacred text, the individual, and the community.

Your Ministry of Singing in the Church Choir Roger N. Deschner 2005-01

Walking the Line Thomas Alan Holmes 2013-10-09 An insightful and wide-ranging look at one of America's most popular genres of music, Walking the Line: Country Music Lyricists and American Culture examines how country songwriters engage with their nation's religion, literature, and politics. Country fans have long encountered the concept of walking the line, from Johnny Cash's "I Walk the Line" to Waylon Jennings's "Only Daddy That'll Walk the Line." Walking the line requires following strict codes, respecting territories, and, sometimes, recognizing that only the slightest boundary separates conflicting allegiances. However, even as the term acknowledges control, it suggests rebellion, the consideration of what lies on the other side of the line, and perhaps the desire to violate that code. For lyricists, the line presents a moment of expression, an opportunity to relate an idea, image, or emotion. These lines represent boundaries of their kind as well, but as the chapters in this volume indicate, some of the more successful country lyricists have tested and expanded the boundaries as they have challenged musical, social, and political conventions, often reevaluating what "country" means in country music. From Jimmie Rodgers's redefinitions of democracy, to revisions of Southern Christianity by Hank Williams and Willie Nelson, to feminist retellings by Loretta Lynn and Dolly Parton to masculine reconstructions by Merle Haggard and Cindy Walker, to Steve Earle's reworking of American ideologies, this collection examines how country lyricists walk the line. In weighing the influence of the lyricists' accomplishments, the contributing authors walk the line in turn, exploring iconic country lyrics that have tested and expanded boundaries, challenged musical, social, and political conventions, and reevaluated what "country" means in country music.

CMJ New Music Monthly 2004 CMJ New Music Monthly, the first consumer magazine to include a bound-in CD sampler, is the leading publication for the emerging music enthusiast. NMM is a monthly magazine with interviews, reviews, and special features. Each magazine comes with a CD of 15-24 songs by well-established bands, unsigned bands and everything in between. It is published by CMJ Network, Inc.

Christian Writers' Market Guide 2009 Sally Stuart 2009-01-13 Now updated for 2009 comes one of the most comprehensive marketing resources for Christian writers, with information on agents, editors, publisher guidelines, specialty markets, and more.

So You Want to Sing Gospel Trineice Robinson-Martin 2016-11-29 There are few works in existence that teach gospel singing and even fewer that focus on what gospel soloists need to know. In So You Want to Sing Gospel, Trineice Robinson-Martin offers the first resource to help individual gospel singers at all levels make the most of their primary instrument—their voice. Robinson-Martin gathers together key information on gospel music history, vocal pedagogy, musical style and performance, and its place in music ministry. So You Want to Sing Gospel covers such vital matters as historical, cultural and spiritual perspectives on the gospel music tradition, training one's voice, understanding the dynamic of sound production, grasping gospel style, and bringing together vocal performance with ministerial imperatives. She also includes in her discussion such matters as voice type, repertoire selection, and gospel sub-genres. Additional chapters by Scott McCoy and Wendy LeBorgne, and Matthew Edwards address universal questions of voice science and pedagogy, vocal health, and audio enhancement technology. The So You Want to Sing series is produced in partnership with the National Association of Teachers of Singing. Like all books in the series, So You Want to Sing Gospel features online supplemental material on the NATS website. Please visit www.nats.org to access style-specific exercises, audio and video files, and additional resources.

Bibliographic Guide to Music G. K. Hall 2002-07 The holdings of the Music Division of the New York Public Library cover virtually all musical subjects; its scores represent a broad spectrum of musical style and history.

Lenard C. Bowie 2012-01-30 LENARD C. BOWIE, DMA ASSOCIATE PROFESSOR OF MUSIC, RETIRED THE UNIVERSITY OF NORTH FLORIDA JACKSONVILLE , FLORIDA Dr. Lenard C. Bowie has developed an enviable reputation as a consummate musician. He is a classical trumpet artist, accomplished band director, effective music administrator, skilled lecturer and publi shed author. As an author, Bowie's expertise in several fields of endeavor has been documented through the following subjects, as published in the professional music journals indicated: "Solving Problems of Young Trumpet Players, " published in the Music Educators National Journal (December, J979) , a critical review of "Black University Marching Bands in the 80's." published by The Marching Band (January, 198 1), and the Proceedings of an Informal Research Conference whose mission was to document the extent to which African American music courses were offered in Florida's Public Schools was published by the Florida Music Educator (June, 2002). As an undergraduate, Bowie was plagued bymany questions concerning the absence of formal instruction in the music of his people, especially when considering the fact that there were only two authentic types of American music -- that of the American Indians and that of African Americans, with African American Music being the most important of the two. Bowie's search for answers to his probing questions began when he enrolled in Professor Willie Ruffs course in Black Music as a graduate student at Yale University in 1974. This course opened Bowie's eyes, ears and mind to many of his here-to-fore unanswered questions; including the extent to which African music traditions are practiced in African American Music today, and the impact that African American Music has made on the social, political, economic, and religious climates of modern American Society. After graduating from Yale with a Master of Musical Arts Degree in 1976, Bowie struck out on a mission to enlarge on what he had learned about African American Music.This mission brought him in contact with a wealth of information through independent study of numerous publications and documentaries; lectures, festivals, concerts; and personal contacts with scholars who were, or have become, major players in the research, dissemination, performance and composition of African American Music. Some of these scholars include former colleagues Dr.Oily W. Wilson, composer and Chair of Composition at UCLA , Berkeley, Samuel Floyd, Founder and Director of the Center for Black Music Research, found at Fisk University, now housed at ColumbiaCollege,Chicago,Dr. AaronHorne,AfricanAmericanMusic Biographer and Dean of Fine Arts, Winston Salem Unive rsity, North Caro lina, Aramentha Adams - Hummings, Founder and Director ofthe Gateways Music Festival , initiated at the North Carolina School of the Arts, now housed at the East man School of Music in Rochester,New York, Operatic Tenor and Music Educator, the late Dr. William A, Brown. Others include Dr. Portia Maultsby, Professor of Music at Indiana University, Dr. Dena Epstein, Retired Music Librarian, Archival Researcher and Author, Chicago, Dr. Rene Boyer-White, Professor of Music Education, College-Conservatory of Music, The University of Cincinnati, and Dr. John Smith, Dean of Fine Arts, The Univers ity of South Florida at Tampa. During the first of Dr. Bowie's two terms as Music Department Chair at The University of North Florida, he was afforded an opportunity to apply and distribute his long sought know ledge. The opportunity came in the form ofa Mill ion Dollar Endowment from the Koger Company to develop programs of study in American Music. The response of the faculty to the endowmentwas to institute two programs: a Jazz Studies Program and a program in African American Music. The Jazz Studies Program has become nationally recognized for outstanding achievements in jazz theory, history and performance. The Center Program, designed and developed by Bowie, was chall

CQ Press Guide to Radical Politics in the United States Susan Burgess 2016-03-11 This unique guide will provide an overview of radical U.S. political movements on both the left and the right sides of the ideological spectrum, with a focus on analyzing the origins and trajectory of the various movements and the impact that movement ideas and activities have had on mainstream American politics. The work is organized thematically, with each chapter focusing on a prominent arena of radical activism in the United States. The chapters will trace the chronological development of these extreme leftist and rightist movements throughout U.S. history. Each chapter will include a discussion of central individuals, organizations, and events as well as their impact on popular opinion, political discourse and public policy. For movements that have arisen multiple times throughout U.S. history (nativism, religious, radical labor, separatists), the chapter will trace the history over time but the analysis will emphasize its most recent manifestations. Sidebar features will be included in each chapter to provide additional contextual information to facilitate increased understanding of the topic.

Marlies Janson 2007-01-01 The World Guide to Special Libraries lists about 35,000 libraries world wide categorized by more than 800 key words - including libraries of departments, institutes, hospitals, schools, companies, administrative bodies, foundations, associations and religious communities. It provides complete details of the libraries and their holdings, and alphabetical indexes of subjects and institutions.

Federal Register 1975

Church and Worship Music in the United States James Michael Floyd 2016-08-12 This fully updated second edition is a selective annotated bibliography of all relevant published resources relating to church and worship music in the United States. Over the past decade, there has been a growth of literature covering everything from traditional subject matter such as the organ works of J.S. Bach to newer areas of inquiry including folk hymnology, women and African-American composers, music as a spiritual healer, to the music of Mormon, Shaker, Moravian, and other smaller sects. With multiple indices, this book will serve as an excellent tool for librarians, researchers, and scholars sorting through the massive amount of material in the field.

Music Article Guide 1966

Bill J. Leonard 2005 From Little Dove Old Regular Baptist Church, up a hollow in the Appalachian Mountains, with its 25-member congregation, to the 18,000-strong Saddleback Valley Church in Lake Forest, California, where hymns appear on wide-screen projectors; and from Jerry Falwell, Jesse Helms, and Tim LaHaye to Martin Luther King Jr., Jesse Jackson, Bill Clinton, and Maya Angelou, Baptists are a study in contrasts. At first glance, Baptist theology seems classically Protestant in its emphasis on the Trinity, the incarnation of Jesus Christ, the authority of Scripture, salvation by faith alone, and baptism by immersion. Yet interpretation and implementation of these beliefs have made Baptists one of the most fragmented denominations in the United States. Indeed, they are often characterized as a people who "multiply by dividing." This book introduces readers to this fascinating and diverse denomination, offering a sociological portrait of a group numbering some thirty million members. Bill J. Leonard explores Baptist history, beliefs, practices and disputes, as well as contributions to American culture and the religious landscape. Leonard also discusses the major controversial issues within the denomination, including race, the interpretation of scripture, the role of women in the church, the separation of church and state, religion and politics, ethics, and sexuality. -- From publisher description.

The Story Children's Church Worship Program GuideThe Story Children's Church Worship Program Guide Second Baptist Church Houston 2019-06 The Story is a study of the judges in Israel's history. God uses ordinary people to do extraordinary things. In Sunday School, kids get to insert themselves into a fun adventure mad-lib with the Great Adventurer, Clark Lewis. In Children's Worship, skit characters are transported into Clark Lewis' adventure story. Throughout the skit, kids are allowed to choose what happens next in true mad-lib style. It's Clark Lewis' story, but he wants you to be a part of his adventure! About This Series 28nineteen Curriculum provides Sunday School and Children's Worship materials that are Bible-centric, fun, and flexible. Following the Great Commission in Matthew 28:19 these Bible lessons and worship experiences are designed to meet this mandate from Christ, making disciples and teaching them to obey His commands. Each series is undated and flexible, ideal for any size church and a range of kids' programs such as Sunday school, weeknight Bible study, children's church, or summer programs. No matter the size of your group, kids will learn stories from the Bible through fun activities, engaging stories, skits, kid-relevant music, and object lessons. By the end of each fun-filled series, children will come away with a deeper understanding of the Bible! Each series includes various components that customers can choose from, to bring the series to life in their own setting. Choose from box kits, leader guides, take home resources, discs with audio/visual materials and reproducible pages, and more! See following pages for more details. Additional Information about the Kits What's inside the Lower and Upper Elementary Kits: * Lower Elementary Leader Guide--The perfect guide to help any volunteer become an incredible leader! The Concise Guide to Today's Religions and Spirituality James K. Walker 2007-04-01 Biblical, evangelical, and orthodox, The Concise Guide to Today's Religions and Spirituality supplies readers with a comprehensive, A-to-Z information source. Supported by the trustworthy research of Watchman Fellowship and its president, James Walker, its thousands of entries give the basics needed to evaluate spiritual belief systems, movements, and phenomena—Christian, quasi-Christian, and non-Christian—and the people connected with them. Definitions, descriptions, and cross references pack the maximum useful information into concise form, as in these examples: Adler, Margo: A witch affiliated with the Covenant of the Goddess, the second-largest coven in the United States. Adler wrote the highly influential book Drawing Down the Moon. See GODDESS, WICCA. Bioenergy: NEW AGE practice of healing, in which life-energy is balanced by opening blocked meridians. See HOLISTIC HEALING. A great resource for individuals—parents, church leaders, counselors, friends who want to give sound advice—as well as for study groups and church libraries.

2009

United States. Congress. Senate. Committee on the Judiciary. Subcommittee on the Constitution 1981

Floyd Massey 2003 With over 60,000 copies in print, Church Administration in the Black Perspective, first published in 1976, has become a classic reference manual. African American pastors through the years have looked to this informational guide as a source for details on church structure, management, and organization. This resource addresses the particular needs of the pastor and church staff who have been charged with the responsibilities of administration in the black church context. Not only does this revised edition feature updated language, but it also includes fresh information in such areas as budgeting and the use of modern technology. The authors supply detailed information on creating a church budget, and discuss the role websites, computer technology, and cable access television can play in helping churches to carry out their mission. The book includes guidelines for effectively organizing church boards and committees, as well as details pertaining to overall church structure. The authors' perspectives are well grounded in the experience of the African American Christian community, as the text explores how the African heritage and slave experience have molded black church traditions. The authors bring to the writing of this book a blend of practical and academic experience. Book jacket.
