A Practical Guide to Labour Law J. V. Du Plessis 2019
Bowker's Law Books and Serials in Print 1998
South African Human Resource Management Ben Swanepoel 2008 Book & CD. This fourth edition makes it clear that all who are interested in the sustainability of South Africa -- and Africa -- must put human resource management (HRM) at the very core of the management of organisations generally. The content is aligned to

outcomes that are geared towards analytical and critical thinking about the theory and practice of HRM in South Africa. The African context is addressed, and ample information about HRM aspects 'elsewhere in Africa' is provided. This edition breaks away even further from the traditional structure of so many standard HRM textbooks. It challenges a broadening of the 'agenda' and scope of HRM work: HRM is not only about managing employees, but also about managing the work and the people who do the

work of and in organisations. This may involve alternative ways of getting the work of organisations done superiorly. This book will help you to apply HRM effectively to achieve its ultimate aim, namely to add value to people, to organisations and to society. This comprehensive book is organised around themes such as: Developing an appreciation for the context of HRM in South Africa; Strategising, designing and planning as preparatory HRM work; Sourcing work talent; Facing the countrys people empowerment challenge; Meeting the reward and care challenge; Handling labour and employee relations challenges; Championing change and transformation; Managing HRM-related information, including HRM and sustainability reporting. Based on most recent theoretical developments, the emphasis is on the practical applications. Samples of relevant documents are included, and an accompanying CD contains a wealth of relevant resources as well as a continuing, integrating case study that serves as a basis for these applications, and individual and group activities. As a package, South African Human Resource Management will be extremely valuable to both current and aspirant managers, and human resource practitioners.

Labor Relations in the Public Sector Richard C. Kearney 2017-09-25 Since publication of the fourth edition of *Labor Relations in the Public Sector*, public sector unions have encountered strong headwinds in many parts of the U.S. Membership is falling in some jurisdictions, public opinion has shifted against the unions, and political forces are leaning against them. Retaining the structure that made the previous editions so popular, this fifth edition incorporates a complete round of updates, particularly sections on recent trends in membership figures, new legislation, and new politics as they influence bargaining rights. See What's New in the Fifth Edition: Up to date examination and analysis of public sector labor relations and collective bargaining Important changes in the public labor relations and unionization landscape Updated analysis of the financial and human resource outcomes of collective bargaining in the public sector Collective bargaining institutions and processes in government Completely updated in terms of the scholarly and professional literature and relevant events, the new edition identifies and explains the implications of the new collective bargaining environment, including financial and human resource management issues and outcomes. As in previous editions, collective bargaining and labor relations are addressed at all levels of government, with comparisons to the private and nonprofit sectors. Designed to be classroom friendly, it includes discussions of the most recent literature and case studies as well as end-of-chapter assignments and quizzes. Practical tips and advice are offered for those engaged in collective bargaining and labor relations.

Employment Law Concentrate Michael Jefferson 2021

Employment Law Concentrate is written and designed to help you succeed. Written by experts and covering all key topics, *Concentrate* guides go above and beyond, not only consolidating your learning but focusing your revision and maximising your exam performance. Each guide includes revision tips, advice on how to achieve extra marks, and a thorough and focused breakdown of the key topics and cases. Revision guides you can rely on: trusted by lecturers, loved by students... "The *Concentrate* books are my favourite revision guides as the quality of the information is always more comprehensive than others." Carly Hatchard, law student, University of Bolton "The *Concentrate* structure is extremely good, it makes it so much easier to revise ... no key information is left out, it's a great series." Emma Wainwright, law student, Oxford Brookes University I have always used OUP revision and Q&A books and genuinely believe they have helped me get better grades - Anthony Poole, law student, Swansea University The detail in this revision textbook is phenomenal and is just what is needed to push your exam preparation to the next level - Stephanie Lomas, law student, University of Central Lancashire It is a little more in-depth than other revision guides, and also has clear diagrams and teaches ways to obtain extra marks. These features make it unique - Godwin Tan, law student, University College London The exam style questions are brilliant and the series is very detailed, prepares you well - Frances Easton, law student, University of Birmingham The accompanying website for *Concentrate* is the most impressive I've come across - Alice Munnely, law student, King's College London Digital formats and resources The seventh edition is available for students and institutions to purchase in a variety of formats, and is supported by extensive online resources to take your learning further (www.oup.com/lawrevision/). The e-book offers a mobile experience and convenient access along with functionality tools, navigation features, and links that offer extra learning support: www.oxfordtextbooks.co.uk/ebooks The online resources include: - advice on revision and exam technique from experienced examiner Nigel Foster; - a diagnostic test to help you pinpoint areas to focus your revision on; - interactive glossary and key cases to help you revise key terminology, facts, and principles; - multiple choice questions to test your knowledge; and - outline answers to questions in the book.

Employment Law for Human Resource Practice David J. Walsh 2015-01-01 Packed with the most current cases and examples available, EMPLOYMENT LAW FOR HUMAN RESOURCE PRACTICE, 5E addresses human resource practices associated with each stage of the employment process-- from hiring, to managing, to firing--as it emphasizes the application of legal concepts to business situations. News clippings, hypothetical situations, and other hands-on applications offer students opportunities to develop issue spotting, critical thinking, and legal reasoning skills that will be integral in their future careers as human resource managers. Covering the most important employment law topics, the Fifth Edition is completely up to date with the latest legislation, new regulations, and recent case law. It includes extended coverage of the rights of vulnerable employees under the Americans with Disabilities Act, racial discrimination, the use of background checks, the Family Medical Leave Act, and more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Employment Law for Business Dawn Bennett-Alexander
2021-04-23

Introduction to the Law of South Africa C. G. Van der Merwe 2004-01-01 This title is part of an established Series which introduces various legal systems of the world. It provides an authoritative and accessible overview of the main branches of South African public, private and commercial law. Offering insight into the rich system of South African law, this title will be of particular interest to the international legal community. The South African legal system has not only developed fascinating mixtures of civil law and common law rules over more than a century, but has also experienced a post-apartheid South Africa. Of particular interest is the way in which so many branches of law have been infused by basic constitutional values. Many of the contributors have published work in their own fields and have considerable experience of presenting their subject matter in a broader comparative perspective. The succinct and balanced nature of the contributions makes this title attractive to a wide

audience of academics, students and practitioners with an interest in this remarkable legal system.

Essential Labour Law Marylyn Christianson 1998

The Botswana Law Reports 2004

The Essential Guide to Federal Employment Laws Lisa Guerin 2019-04-30 This book is an invaluable resource for managers, supervisors, HR professionals, and anyone else who needs to know about federal employment laws. It takes the 20 most important federal workplace laws and breaks them down into plain English, chapter by chapter. Managers and HR professionals can pick up this easy-to-use reference guide any time they have questions about their obligations under federal employment laws.

Practical Guide to Payment of Bonus: Act & Rules: Second Edition H.L. Kumar, Gaurav Kumar

Practical Guide to Employees' State Insurance Act, Rules and Regulations H. L. Kumar 2005

The Law Times 1860

Ethics in Health Care Silvia Angelina Pera 2005 Dealing primarily with nursing in South Africa and the particular challenges that the country's nurses encounter, this book looks at the ethical questions confronting nurses as well as the moral philosophy behind those considerations. Ubuntu--the African notion that everyone in a community is responsible for the welfare of its members--plays a large part in the moral deliberations of the book, as do problems particular to South Africa. This second edition is updated with new case studies on the AIDS pandemic as well as new ethical questions stemming from the legalization of abortion in South Africa and the rise in the power of health worker unions.

Basic Guide to the National Labor Relations Act United States. National Labor Relations Board. Office of the General Counsel 1997

The Weekly Notes Frederick Pollock 1876

Hong Kong Employment Law Pattie Walsh 2008 This book will allow you to get a firm grasp of the relevant legislation so you'll always be alert to its day-to-day impact on the employment relationship; and take practical steps to make sure your employee relationships and your business are not exposed to legal challenges. Step by step through the best-practice procedures that ensure full compliance with all relevant Hong Kong laws. Case studies and worked examples--dozens of them--clearly illuminate just about any difficulty likely to arise in any employment situation.

Labor Law Michael C. Harper 2011 A rigorous, analytical, modern, and practical approach to the issues and challenges of labor law and labor policy. Features: A comprehensive and thoughtful view of the field of labor law, including issues of reform, economic and labor theory, and the respective roles of the NLRB, arbitrators, and federal and state courts A highly respected author team, experienced in scholarship, practice, and teaching A special emphasis on accessibility, manifested in clear, streamlined case editing; lucid explanatory texts; and clear and pointed narratives, notes, and questions throughout Complete, effective pedagogy, including introductory texts, excerpted NLRB and court decisions, Notes & Questions, and references to and excerpts from pertinent articles and books A problem at the end of each chapter provides instructors with material to test student understanding, accompanied by a problems guide for professors containing suggested approaches to dealing with these problems. Powerpoint slides for each chapter designed for classroom use. New to the Seventh Edition: Includes the most significant developments since the publication of the 5th edition, including the following An up-to-date rendering of new developments, including consideration of labor reform legislation and reform initiatives by the NLRB. Note material comparing the National Labor Relations Act to the Railway Labor Act and public sector labor laws. Note materials on

international labor rights and offering comparisons to

the labor relations systems of selected developed countries.
