[Get Rich with Dividends](#) Marc Lichtenfeld  
2015-02-04 2016 Book of the Year award  
winner by the Institute for Financial  
Literacy "Set it and forget it" investing,  
with less risk and higher returns Get Rich  
with Dividends is the bestselling dividend-  
investing book that shows investors how to  
achieve double-digit returns using a time-  
tested conservative strategy. Written by a  
nineteen-year veteran of the equity  
markets, this invaluable guide shows you  
how to set up your investments for minimal  
maintenance and higher returns, so you can  
accumulate wealth while you focus on the  
things that matter. Using the author's  
proprietary 10-11-12 system, you'll learn  
how to generate the income you need on a  
quarterly or even monthly basis. You'll

discover the keys to identifying stocks that  
will return twelve percent or more every  
year, and how to structure your  
investments for greater security and  
financial well being. This method is so easy  
to use, you'll want to teach it to your  
children early to set them up for financial  
independence and help them avoid the  
problems that plagued many investors over  
the past decade. Dividends are responsible  
for 44 percent of the S&P 500's returns  
over the last eighty years. They represent  
an excellent opportunity today, especially  
for investors who have been burned in  
recent meltdowns and are desperate for  
sensible and less risky ways to make their  
money grow. This book describes a  
framework that allows investors to reap  
higher returns with a low-to-no

maintenance plan. Set up an investment system that requires little to no maintenance Achieve double-digit average annualized returns over the long term Focus on other things while your money works for you Increase returns even with below-average growth in share price Market risk is high and interest rates are low, making it a perfect time to get started on a more sensible wealth generation strategy. With expert guidance toward finding and investing in these unique but conservative and proven stocks, *Get Rich with Dividends* is the only book on dividend investing you'll ever need.

**Adaptive Marketing** Norm Johnston 2015-09-28 Adapt or die is really the 21st century mantra for business. Authors Norm Johnston provides guidance on how to adopt an Adaptive Marketing model to ensure you are not only prepared for this new data world, but also winning against both traditional competitors and new disrupters.

**Dividend Growth Machine** Nathan King 2016-01-18 In this book, investment professional Nathan Winklepleck will show you a better way to invest. Through easy-to-understand examples and practical tips, Nathan will show you how anyone can achieve financial independence and investment success through dividend investing. In these pages, you'll discover: - Why traditional investment strategies fail. - The most dangerous investment strategy out there right now (and how to avoid it). - How to dramatically improve your investment results while taking less risk. - How to outperform most "passive index" strategies. - How to practically guarantee a positive investment return over the long-term. This strategy is not for those with fancy degrees in Finance or Business. It's too simple. Contrary to popular belief, successful investing doesn't require you to make accurate predictions about the economy, Fed policy, or the next recession. You don't even have to watch the news. If you want to improve your investment returns, spend less time worrying about

*your money, and strive for complete Supercharge Your Investment Returns With Dividend Stocks Dividend Investing Pdf Pdf upload Donald i Ferguson*

financial independence - this book is for you!

*How to Invest in Real Estate* Brandon Turner 2018-10-31 Over the many years that we've been serving real estate investors, one of the most asked questions on our site has been, "How Do I Get Started in Real Estate Investing?" New investors will love the fundamentals and even experienced investors will appreciate the high-level view of strategies they may have never even considered. Don't let some guru tell you what the right path is for you. Read *How to Invest in Real Estate* and see all the paths in one place, so you can make the best choice for you, your family, and your financial future. This book will help new investors get a firm foundation to build their investing business upon. With topics ranging from how to gain a solid real estate education, real estate niches, financing, marketing, and more, this book is truly the definitive guide for helping new investors learn the ropes.

**The Army Air Forces in World War II: Men and planes** 1948

*The Income Factory: An Investor's Guide to Consistent Lifetime Returns* Steven Bavaria 2020-02-28 The proven, all-weather investing strategy that delivers long-term, consistent returns The most common investing approach today—one that values "growth" over all else—can be ineffective and counterproductive for many investors, not to mention needlessly stressful. Now, one of Seeking Alpha's most popular writers, Steven Bavaria, provides a groundbreaking alternative that will see you through all markets—up, down, and sideways. The Income Factory shows how to build an income stream that increases solidly and consistently—a result of re-investing and compounding the dividends. And the best part? This income stream actually grows faster during market downturns than during flat or rising market periods. The Income Factory sheds light on:

- Why "high-yield" doesn't have to mean "high-risk"
- How credit investments perform more predictably than equity investments
- Why "junk" is a

*Downloaded from [v1a.ramtech.uri.edu](http://v1a.ramtech.uri.edu) on September 30, 2023 by Donald i Ferguson*

misnomer—and why high-yield debt is safer than most of the stocks investors own • How to grow your wealth steadily without following the markets obsessively Through Bavaria's strategy, cash income increases year after year at a predictable rate. For example, a 9% yielding portfolio doubles and re-doubles every 8 years. If you're in for the long haul, an Income Factory lets you achieve your goals and still sleep well at night. Investing does not have to be about picking specific horses and hoping they win the race. An Income Factory achieves its goals by essentially betting on horses to make it around the track and finish the race. Those are easier bets to win, and they don't require us to be glued to the financial news 24/7.

How to Retire on Dividends Brett Owens 2019-09-15 "Read and learn from this book or become a Walmart greeter. Your choice."--Retirement Expert Richard Green. The retirement "advice" machine says don't withdraw more than 4% a year from your retirement nest egg. That means you have to spend down your principal. What if you could double that income and never spend down your principal? Learn how.

**Dividends Don't Lie** Geraldine Weiss 1989 Following the straightforward system of investing in stick-to-quality blue-chip stocks with reliable dividend histories, investors will gain the confidence to make sophisticated stock market decisions and obtain solid value for their investment dollars.

Buy Low / Sell High Sabin H. Bernstein 2018-03-23 This book is designed to help people of all ages, whether it is a young person first starting out in the stock market or an older person structuring his/her retirement strategies.

The Millionaire Fastlane MJ DeMarco 2011-01-04 10TH ANNIVERSARY EDITION Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit

*Dividend Growth Machine: How To Supercharge Your Investment Returns With Dividend Stocks Dividend Investing Pdf Pdf upload Donald i Ferguson*

drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of "do what you love" will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates

*Downloaded from [vix.ramtech.uri.edu](http://vix.ramtech.uri.edu) on September 30, 2023 by Donald i Ferguson*

millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.

*The Case for Dividend Growth* David L. Bahnsen 2019-04-09 Both the tech bubble burst of 2000, and the financial crisis of 2008, poked significant holes in the primary investment belief of too many investors today—that one can just blindly withdraw from principal, and that equity returns will keep up. Too many investment advisors have taken the path of least resistance, not aware of the risk in systematically withdrawing from what, at times, will be a declining portfolio. Investors seeking to accumulate money for their future needs, and investors needing to withdraw money now for a present need, both have one thing in common: Dividend Growth investing represents a powerful weapon in the achievement of their objectives. Market volatility is not something any investor can escape, but benefitting from it (for accumulators reinvesting dividends), and being insulated from it (for withdrawers taking only from a growing flow of dividend income), are achievable results for those who understand the time-tested, sustainable, intelligent strategy of investing that is Dividend Growth.

**Dividend Growth Machine** Nathan Winklepleck 2016-01-18 Do you want to improve your investment returns while taking less risk? In *Dividend Growth Machine*, investment professional Nathan Winklepleck will show you what makes dividend growth investing such a powerful investment strategy. What You Will Learn Through easy-to-understand examples and practical tips, Nathan will show you how anyone can achieve financial independence and investment success through dividend investing. In these pages, you'll discover: Why traditional investment strategies fail. The most dangerous investment strategy out there right now (and how to avoid it). How to dramatically improve your investment results while taking less risk. How to outperform most passive index strategies. How to Supercharge Your Investment Returns With Dividend Stocks *Dividend Investing Pdf Pdf upload Donald i Ferguson*

practically guarantee a positive investment return over the long-term. Why dividends are the safest, most consistent, and common sense way to build wealth. What dividends are and where they come from. How dividends can replace your paycheck in retirement. Who Should Read It This book is for anyone who wants to build wealth and improve their investment returns. It's not complicated. There are no fancy formulas or Wall Street mumbo jumbo. Beginning investors who just want to better understand how to make money investing in stocks. Experienced investors who have been burned by other investment strategies. Anyone who is afraid to lose money investing in the stock market. Those nearing retirement who wants to generate passive, consistent, and growing income. Retired people who are tired of getting 1% returns in their checking accounts and 3% (or less) from bond funds. Anyone considering buying an annuity. Who Should NOT Read It Those looking for "get-rich-quick" investing strategies. This strategy is about consistently and predictably growing your wealth over long time periods (20+ years). This book is targeted to people with little-to-no experience with dividend investing or investing in general. If you have a lot of experience with dividend investing, there probably isn't much here for you. Annuity salespeople. If you want to sell an annuity, don't read this book. And definitely don't let your potential victims (errr... "clients") read it. Testimonials "The book is well written and understandable for anyone with even minimal investing experience." -JCS "One of the best books on dividend growth investing. I wish I had known about this 10 years ago as I compared my tax-free bonds versus dividend growth investing would have doubled my portfolio if I had followed his books advice." -David "An investment strategy that makes sense. The book is short and to the point. Reading it will be time well spent." "I'm already employing the strategy in my own investments, but this book gave me a lot of confidence that I'm absolutely doing the right thing. It is short,

Downloaded from [vla.ramtech.uri.edu](http://vla.ramtech.uri.edu) on September 30, 2023 by Donald i Ferguson

but there's every bit as much content as a much longer book."What Are You Waiting For?If you want to improve your investment returns, spend less time worrying about your money, and strive for complete financial independence - this book is for you!

*Spartan Up!* Joe De Sena 2014 A life strategy guide by the creator of the Spartan Race explains how the principles that bring about success in an extreme sports environment can help anyone achieve his or her full potential in life, business, and relationships.

All About Dividend Investing, Second Edition Don Schreiber 2010-11-12 The safe, profitable alternative to a losing bet While many of us were learning the hard way that a buy-and-hope strategy is bound to fail, Don Schreiber, Jr., and Gary E. Stroik were busy updating All About Dividend Investing-the proven answer to a highly flawed, totally outdated, but all-too-common investing approach. This back-to-basics book argues that dividend-paying stocks, not growth stocks, form the best foundation for any portfolio. Used strategically, dividends are your best bet for safe, profitable investing. Why? Three simple facts: Dividends are low risk. Dividends work in bull markets. Dividends work in bear markets. Whether you're a veteran investor or a beginner, All About Dividend Investing, Second Edition, provides the facts you need about: Tax advantages of dividend-paying stocks Dividend ratios and other key stock information Dividend portfolio design Managing risk and protecting gains Dividend-based mutual funds and ETFs Current historical analyses of market cycles

The Great American Dividend Machine Bill Spetrino 2015-02-10 Bill Spetrino was just an ordinary accountant more than 20 years ago when he discovered the best investment secret ever. Bill calls his secret "the dividend machine" -- and he has been sharing his secrets with hundreds of thousands of investors who have subscribed to his popular Dividend Machine

*Dividend Growth Machine: How To Supercharge Your Investment Returns With Dividend Stocks Dividend Investing Pdf Pdf upload Donald i Ferguson*

#1 low risk investment letter. But many readers asked Bill to write a book about his secret and how ordinary investors can become millionaires just like him. Bill did just that. Now his new The Great American Dividend Machine reveals his own story, and how he went from becoming a middle-class accountant to having a net worth exceeding more than \$5 million! Traders who jump from stock to stock in the hunt for a major Wall Street score often lose money or, at best, break even. That's not an acceptable fate for the retirement nest egg or for Bill. Instead, true investors trust Bill Spetrino's proven advice: "Keep investments boring and the rest of life fun and exciting." By valuing safety and income above all else, Spetrino guides the reader through the process of unearthing true bargains in the marketplace. Adhering to the author's model, The Great American Dividend Machine portfolio is composed of stocks that he picks using his unique system. The companies that pass Spetrino's rigorous, multi-step vetting process must have a number of key characteristics, such as: Resonant brand names Strong, competitive advantages in their industries Pristine balance sheets Capital to help survive and thrive in difficult markets Bill believes anyone can become a millionaire by ignoring the Wall Street pros and using his time-tested strategies.

*What Would the Rockefellers Do?* Garrett Gunderson 2018-04-03 Would you rather earn interest than pay it, and eliminate the necessity of paying fees to banks and jumping through hoops to get loans? Are you frustrated with being over-taxed and/or being dependent on a volatile stock market? Do you suspect that the ultra-wealthy play by a different set of rules than you do, and that their secrets have been kept just out of your reach? What would it mean to you and your family if you knew these rules to play by them too?

**The No-Nonsense Guide to Dividend Growth Investing** Jeses Blair 2021-03-24 In this short but powerful guide, you're going to learn the fundamentals of dividend growth investing. Drawing upon the

*Quit Like a Millionaire* Kristy Shen  
2019-07-09 From two leaders of the FIRE (Financial Independence, Retire Early) movement, a bold, contrarian guide to retiring at any age, with a reproducible formula to financial independence A bull\*\*t-free guide to growing your wealth, retiring early, and living life on your own terms Kristy Shen retired with a million dollars at the age of thirty-one, and she did it without hitting a home run on the stock market, starting the next Snapchat in her garage, or investing in hot real estate. Learn how to cut down on spending without decreasing your quality of life, build a million-dollar portfolio, fortify your investments to survive bear markets and black-swan events, and use the 4 percent rule and the Yield Shield--so you can quit the rat race forever. Not everyone can become an entrepreneur or a real estate baron; the rest of us need Shen's mathematically proven approach to retire decades before sixty-five.

*The Dividend Hunter* Ryan Stygar  
2020-05-30 The Dividend Hunter is for people who want to earn money in their sleep. It is for people who know that with a little effort upfront, they can reap long-term gains from sound investments. Even in volatile times, there are opportunities to earn consistent income from the stock market. This book will show you how to pick stocks that pay you regular income simply for holding them. How? By identifying stocks that maximize your dividends. In this book you will learn essential wealth-building skills like: How the stock market works; What dividends are and how you can use them to build passive income; What kinds of investments pay you regular income through dividends; How to research and select investments; Exercises to help you master the skill of researching stocks; How to determine what stocks will maximize income for your portfolio; The fundamental rules for creating a lifestyle that attracts wealth. The Dividend Hunter is an essential component of any investor's library. Using the skills in this book, you

can plant the seeds for a powerful passive income stream.

### **The Politics of Social Media**

**Manipulation** Richard Rogers 2020-10-23 Disinformation and so-called fake news are contemporary phenomena with rich histories. Disinformation, or the willful introduction of false information for the purposes of causing harm, recalls infamous foreign interference operations in national media systems. Outcries over fake news, or dubious stories with the trappings of news, have coincided with the introduction of new media technologies that disrupt the publication, distribution and consumption of news -- from the so-called rumour-mongering broadsheets centuries ago to the blogosphere recently. Designating a news organization as fake, or der Lügenpresse, has a darker history, associated with authoritarian regimes or populist bombast diminishing the reputation of 'elite media' and the value of inconvenient truths. In a series of empirical studies, using digital methods and data journalism, we inquire into the extent to which social media have enabled the penetration of foreign disinformation operations, the widespread publication and spread of dubious content as well as extreme commentators with considerable followings attacking mainstream media as fake.

**The War on Normal People** Andrew Yang 2018-04-03 The New York Times bestseller from CNN Political Commentator and 2020 former Democratic presidential candidate Andrew Yang, this thought-provoking and prescient call-to-action outlines the urgent steps America must take, including Universal Basic Income (UBI), to stabilize our economy amid rapid technological change and automation. The shift toward automation is about to create a tsunami of unemployment. Not in the distant future--now. One recent estimate predicts 45 million American workers will lose their jobs within the next twelve years--jobs that won't be replaced. In a future marked by restlessness and chronic unemployment, what will happen to American society? In

*Dividend Growth Machine: How To Supercharge Your Investment Returns With Dividend Stocks Dividend Investing Pdf Pdf upload Donald i Ferguson*

paints a dire portrait of the American economy. Rapidly advancing technologies like artificial intelligence, robotics and automation software are making millions of Americans' livelihoods irrelevant. The consequences of these trends are already being felt across our communities in the form of political unrest, drug use, and other social ills. The future looks dire-but is it unavoidable? In *The War on Normal People*, Yang imagines a different future--one in which having a job is distinct from the capacity to prosper and seek fulfillment. At this vision's core is Universal Basic Income, the concept of providing all citizens with a guaranteed income--and one that is rapidly gaining popularity among forward-thinking politicians and economists. Yang proposes that UBI is an essential step toward a new, more durable kind of economy, one he calls "human capitalism."

*Dividend Growth Machine How To Supercharge Your Investment Returns With Dividend Stocks Dividend Investing Pdf Pdf upload Donald i Ferguson*

425,000 subscribers, this invaluable resource will show you how to identify investments that offer lower volatility, higher returns and an automatic income stream of dividends that you can live off of during retirement. This strategy is easy to implement and will set you off on a path toward true financial independence. Here's what you'll learn: How you can create an automatic income stream you can actually live on during retirement. How to build an investment portfolio of rock-solid companies that outperform the S&P 500. What criteria can identify dividend stocks that consistently return 10% or more per year. Which newsletters, websites and other resources you should use to research dividend stocks. Why you won't be tempted to cash out your dividend stock portfolio during the next recession. How to reduce your tax bill by choosing the right dividend investments and the right accounts. Why dividend-growth investing is superior to traditional income investing strategies. Market risk is near an all-time high and interest rates are at a historic low. There has never been a better time to switch to a more sensible wealth-generation strategy. If you want to improve your market returns, spend less time worrying about money and achieve true financial independence, this book is for you.

*The Psychology of Money* Morgan Housel 2020-09-08 Doing well with money isn't necessarily about what you know. It's about how you behave. And behavior is hard to teach, even to really smart people.

Money—investing, personal finance, and business decisions—is typically taught as a math-based field, where data and formulas tell us exactly what to do. But in the real world people don't make financial decisions on a spreadsheet. They make them at the dinner table, or in a meeting room, where personal history, your own unique view of the world, ego, pride, marketing, and odd incentives are scrambled together. In *The Psychology of Money*, award-winning author Morgan Housel shares 19 short stories exploring the strange ways people think about money and teaches you how to

Read this book!" --Joseph Guerriero, Publisher, Success magazine "David and Diane have done it again! They share the practical secrets that anyone can follow to build both a successful business and a successful life." --Beverly Sallee, Maui Millionaire and President Premiere Training Concepts LLC "We never dreamed that we'd be able to quit our jobs as Los Angeles police officers and successfully start up our own businesses, let alone succeed on the level we have. The ideas in this book worked for us, and they will work for you. We now get to wake up every day living our dream life!" --Kelly and Ruperto Fabros, Maui Millionaires and founders, Grasslands Investments, LLC "If you are ready to take your business to the next level, then this book is a must-read!" --Elizabeth Kanna, cofounder and CEO, DreamInYou.com "The concepts and strategies I learned from David and Diane gave me that final ingredient I needed to strengthen my business and successfully sell it for a big profit. This book is a must-read for any business owner who wants to build a truly passive business and learn the skills to grow their wealth." --Blake Mitchell, Maui Millionaire and commercial real estate investor and syndicator

**Dividends Still Don't Lie** Kelley Wright 2010-01-29 "Written by Kelley Wright, Managing Editor of Investment Quality Trends, with a new Foreword by Geraldine Weiss, this book teaches a value-based strategy to investing, one that uses a stock's dividend yield as the primary measure of value. Rather than emphasize the price cycles of a stock, the company's products, market strategy or other factors, this guide stresses dividend-yield patterns. With Dividends Still Don't Lie, you'll gain the confidence to make sophisticated stock

*Taxpayer's Comprehensive Guide to LLCs and S Corps* Jason Watson 2014-09-03 How can I avoid self-employment taxes? This simple question was the inspiration for creating an article describing the benefits of an S Corporation. That original article, which was about four pages long, quickly became a series of KnowledgeBase articles on the Watson CPA Group website. The articles touched on basic topics such as how to elect S Corp status, payroll, reasonable salary determination, retirement planning, health care, fringe benefits and liability protection. Those broad topics demanded much more information, both horizontally by spanning into more related issues, and vertically by digging deeper into the granular yet riveting levels of the tax code. The articles were grouped and relabeled as the Taxpayer's Comprehensive Guide to LLCs and S Corps which grew to 39 pages in its first edition. Time marched on, and more information was added to the first edition such as expanded retirement planning concerns, health care options after the Affordable Care Act and business valuations including exit strategies. Boom, we now had our second edition at over 100 pages. At that point it was suggested by some clients and colleagues to convert the PDF into an eBook as well as paperback. So here we are.. Each week we receive several

**Dividend Growth Machine How To Supercharge Your Investment Returns With Dividend Stocks Dividend Investing Pdf Pdf upload Donald i Ferguson**

owners across the country who have read our Taxpayer's Comprehensive Guide to LLCs and S Corps and praised the wealth of information. Regardless of your current situation, whether you are considering starting your own business or entertaining a contracting gig, or you are an experienced business owner, the contents of this book are for you. This book will show you how to reduce your self-employment taxes through an S Corporation election and how to use your corporation to your retirement and fringe benefit advantage. You will also learn the operational considerations of an S Corp plus the 185 reasons you should NOT elect S Corp status. Want to buy or sell a business? That's in here too. This book is written with the general taxpayer in mind. Too many resources simply regurgitate complex tax code without explanation. While in some cases tax code and court opinions are duplicated verbatim because of the precise words, this book strives to explain many technical concepts in layperson terms with some added humor and opinions. We believe you will find this book educational as well as amusing.

**The Right Stock at the Right Time** Larry Williams 2003-08-08 Praise for THE RIGHT STOCK AT THE RIGHT TIME "It is a fundamentally good time to consider the strategies in this book. Macro-market timing, stock-specific approaches, money management revelations, and intermarket analysis. Even better that it is written by someone who has actually done it himself." —Lindsay Glass Global Market Timing Specialist, Bloomberg LP "This book delivers a knock-out punch to investor pessimism, with an uppercut of bullishness and hard facts." —Ray Mercer Former World Heavyweight Champion "The stock market is a major stream of income and Williams clearly shows the best time and stocks to buy." —Robert Allen, New York Times bestselling financial author and millionaire maker "No other book on the horizon comes close to this one. Larry lets you stand on his shoulders and view the

**Cash Flow Stock Investing** Randall Stewart  
2020-06-23 Learn how to confidently make money in all market conditions. How would you like to be able to generate a consistent, monthly stream of income from your stock investments that'll allow you to reach your financial goals that much faster? The challenge is in figuring out what does & doesn't work in today's changing investment landscape. It can be frustrating trying to determine how to best invest in the markets. Should I invest in mutual funds or individual stocks? How do I protect my hard-earned investment capital from the constant swings in the market? Why is it that some investors can create double-digit annual returns while others struggle to break even? Discover some of the most revealing stock investment tips and insights from OVER TWO DOZEN, nationally recognized investment & financial educators. This book dives deep into the specific action steps to take in order to become a successful do-it-yourself investor. No longer will you have to give up control over your investment capital & depend on a mutual fund salesman or financial advisor to park your money where you'll earn lack-lustre returns or pay exorbitant fees. You'll initially learn how to create a positive mindset that mirrors those of other great investors mentioned throughout the book. You'll begin to develop your edge in the markets. And increase your level of confidence in your wealth-building skills. Why not tap into some of the top best-practice tips & strategies that'll save you

time & energy, rather than doing it just on your own? You'll be able to tap into the wealth-creation power seen in the world of dividend-paying stocks & covered call writing. This detailed guide is based on the premise that you'll increase the velocity of your money by positioning yourself in better and better investment opportunities. No longer will you sit on dead money that isn't moving you forward towards your financial goals. By increasing the velocity of your money with income streams coming from writing (selling) covered calls & dividends, you'll be able to achieve your goals that much faster. You'll also benefit from knowing - Which 3 investing myths might be dissuading you & most investors from taking action. - How self-made millionaires manage their financial affairs & what you should be doing. - Why you should sell monthly covered calls on stock that you own and how easy it is to do. - What top 10 basic variables you should use when quickly assessing a company's merits. - How do you protect your capital in down-trending markets. - How do you best "optimize" your timing moving into & out of the markets. - When is it an "appropriate" time to sell your stock. and much more ... The stock market offers you great wealth creation possibilities. Are you ready to be in better control of the direction you would like your life to take?

**The Magic of Thinking Big** David J. Schwartz 2014-12-02 The timeless and practical advice in The Magic of Thinking Big clearly demonstrates how you can: Sell more Manage better Lead fearlessly Earn more Enjoy a happier, more fulfilling life With applicable and easy-to-implement insights, you'll discover: Why believing you can succeed is essential How to quit making excuses The means to overcoming fear and finding confidence How to develop and use creative thinking and dreaming Why making (and getting) the most of your attitudes is critical How to think right towards others The best ways to make "action" a habit How to find victory in defeat Goals for growth, and How to think like a leader "Believe Big," says Schwartz. "The size of your success is determined by the size of your belief. Think little goals and expect little achievements. Think big goals and win big success. Remember this, too! Big ideas and big plans are often easier -- certainly no more difficult - than small ideas and small plans."
