[Penguin Readers Level 6: The Talented Mr Ripley \(ELT Graded Reader\) Patricia Highsmith 2022-04-07](#)

Penguin Readers is an ELT graded reader series. Please note that the eBook edition does NOT include access to the audio edition and digital book. Written for learners of English as a foreign language, each title includes carefully adapted text, new illustrations and language learning exercises. Titles include popular classics, exciting contemporary fiction, and thought-provoking non-fiction, introducing language learners to bestselling authors and compelling content. The eight levels of Penguin Readers follow the Common European Framework of Reference for language learning (CEFR). Exercises at the back of each Reader help language learners to practise grammar, vocabulary, and key exam skills. Before, during and after-reading questions test readers' story comprehension and develop vocabulary. The Talented Mr Ripley, a Level 6 Reader, is B1+ in the CEFR framework. The longer text is made up of sentences with up to four clauses, introducing future continuous, reported questions, third conditional, was going to and ellipsis. A small number of illustrations support the text. In the 1950s, Tom Ripley travels from the United States of America to Italy, to find Dickie Greenleaf and bring him home to his father. But when Tom sees Dickie's money and relaxed way of life, he becomes jealous and begins to make other plans. Visit the Penguin Readers website Register to access online resources including tests, worksheets and answer keys. Exclusively with the print edition, readers can unlock a digital book and audio edition (not available with the eBook).

**Discipline and Punish** Michel Foucault 2012-04-18 In this brilliant work, the most influential philosopher since Sartre suggests that such vaunted reforms as the abolition of torture and the emergence of the modern penitentiary have merely shifted the focus of punishment from the prisoner's body to his soul.

[City of Thieves](#) David Benioff 2008-05-15 From the critically acclaimed author of *The 25th Hour* and *When the Nines Roll Over* and co-creator of the HBO series *Game of Thrones*, a captivating novel about war, courage, survival — and a remarkable friendship that ripples across a lifetime. During the Nazis' brutal siege of Leningrad, Lev Beniov is arrested for looting and thrown into the same cell as a handsome deserter named Kolya. Instead of being executed, Lev and Kolya are given a shot at saving their own lives by complying with an outrageous directive: secure a dozen eggs for a powerful Soviet colonel to use in his daughter's wedding cake. In a city cut off from all supplies and suffering unbelievable deprivation, Lev and Kolya embark on a hunt through the dire lawlessness of Leningrad and behind enemy lines to find the impossible. By turns insightful and funny, thrilling and terrifying, the New York Times bestseller *City of Thieves* is a gripping, cinematic World War II adventure and an intimate coming-of-age story with an utterly contemporary feel for how boys become men.

**NICOMACHEAN ETHICS** Aristotle 2017-04-20 ♦EVERY art and every inquiry, and similarly every action and pursuit, is thought to aim at some good; and for this reason the good has rightly been declared to be that at which all things aim. But a certain difference is found among ends; some are activities, others are products apart from the activities that produce them. Where there are ends apart from the actions, it is the nature of the products to be better than the activities. Now, as there are many actions, arts, and sciences, their ends also are many; the end of the medical art is health, that of shipbuilding a vessel, that of strategy victory, that of economics wealth. But where such arts fall under a single capacity- as bridle-making and the other arts concerned with the equipment of horses fall under the art of riding, and this and every military action under strategy, in the same way other arts fall under yet others- in all of these the ends of the master arts are to be preferred to all the subordinate ends; for it is for the sake of the former that the latter are pursued. It makes no difference whether the activities themselves are the ends of the actions, or something else apart from the activities, as in the case of the sciences just mentioned.♦

[Around the world in 80 Days](#) Jules Verne

**A Good American** Alex George 2013-02-05 The Meisenheimer family struggle to find their place among the colorful residents of their new American hometown, including a giant teenage boy, a pretty schoolteacher whose lessons consist of more than just music and an spiteful, bicycle-riding dwarf. Reprint.

**Tell Everyone on This Train I Love Them** Maeve Higgins 2022-02-01 Deeply funny, moving, and urgent writing about a country that can feel broken into pieces and the light that shines through the cracks, from Irish comedian Maeve Higgins, author of *Maeve* in America. As an eternally curious outsider, Maeve Higgins can see that the United States is still an experiment. Some parts work well and others really don't, but that doesn't stop her from loving the place and the people that make it. With piercing political commentary in a sweet and salty tone, these essays unearth answers to the questions we all have about this country we call home; the beauty of it all and the dark parts too. Maeve attends the 2020 Border Security Expo to better understand the future of our borders, and finds herself at The Alamo surrounded by queso and homemade rifles. A chance encounter with a statue of a teenage horseback rider causes her to interrogate the purpose of monuments, this sends her hurtling through the past, connecting Ireland's revolutionary history with the struggles of Black Americans today. And after mistaking edibles for innocent candies, Maeve gets way too high at Paper Source. Most of all, Maeve wants to leave this country and this planet better than she found it. That may well be impossible, but it certainly means showing love. Lots of it, even when it's difficult to do so. Threaded through these pieces is love for strangers, love for friends who show up right on time, love for trees, love for Tom Hardy, love for those with differing opinions, love for the glamorous older women of Brighton Beach with tattooed eyeliner and gold jewelry, love for everybody on this train.

**A Thousand Splendid Suns** Khaled Hosseini 2008-09-18 A riveting and powerful story of an unforgiving time, an unlikely friendship and an indestructible love

**Stranger in a Strange Land** Robert A. Heinlein 1991-10-01 The complete, uncut version of Robert A. Heinlein's all-time masterpiece, the brilliant novel that grew from a cult favorite to a bestseller to a science fiction classic. Raised by Martians on Mars, Valentine Michael Smith is a human who has never seen another member of his species. Sent to Earth, he is a stranger who must learn what it is to be a man. But his own beliefs and his powers far exceed the limits of humankind, and as he teaches them about grokking and water-sharing, he also inspires a transformation that will alter Earth's inhabitants forever...

**All that is Solid Melts Into Air** Marshall Berman 1983 The experience of modernization -- the dizzying social changes that swept millions of people into the capitalist world -- and modernism in art, literature and architecture are brilliantly integrated in this account.

**The Girl on the Train** Paula Hawkins 2015-01-13 The #1 New York Times Bestseller, USA Today Book of the Year, now a major motion picture starring Emily Blunt. The debut psychological thriller that will forever change the way you look at other people's lives, from the author of *Into the Water* and *A Slow Fire Burning*. "Nothing is more addicting than *The Girl on the Train*."—Vanity Fair "The *Girl on the Train* has more fun with unreliable narration than any chiller since *Gone Girl*. . . . [It] is liable to draw a large, bedazzled readership."—The New York Times "Marries movie noir with novelistic trickery. . . hang on tight. You'll be surprised by what horrors lurk around the bend."—USA Today "Like its train, the story blasts through the stagnation of these lives in suburban London and the reader cannot help but turn pages."—The Boston Globe "Gone Girl fans will devour this psychological thriller."—People EVERY DAY THE SAME Rachel takes the same commuter train every morning and night. Every day she rattles down the track, flashes past a stretch of cozy suburban homes, and stops at the signal that allows her to daily watch the same couple breakfasting on their deck. She's even started to feel like she knows them. Jess and Jason, she calls them. Their life--as she sees it--is perfect. Not unlike the life she recently lost. UNTIL TODAY And then she sees something shocking. It's only a minute until the train moves on, but it's enough. Now everything's changed. Unable to keep it to herself, Rachel goes to the police. But is she really as unreliable as they say? Soon she is deeply entangled not only in the investigation but in the lives of everyone involved. Has she done more harm than good?

**Invisible Man** Ralph Ellison 2016-08-18 *Invisible Man* is a milestone in American literature, a book that has continued to engage readers since its appearance in 1952. A first novel by an unknown writer, it remained on the bestseller list for sixteen weeks, won the National Book Award for fiction, and established Ralph Ellison as one of the key writers of the century. The nameless narrator of the novel describes growing up in a black community in the South, attending a Negro college from which he is expelled, moving to New York and becoming the chief spokesman of the Harlem branch of "the Brotherhood", and retreating amid violence and confusion to the basement lair of the Invisible Man he imagines himself to be. The book is a passionate and witty tour de force of style, strongly influenced by T.S. Eliot's *The Waste Land*, Joyce, and Dostoevsky.

[The Help](#) Kathryn Stockett 2011-09-29 Film tie-in edition of the massive word-of-mouth hit novel, first published by Fig Tree in 2009 - to accompany the major new film starring Sissy Spacek, Allison Janney, Bryce Dallas Howard and Emma Stone. Enter a vanished and unjust world: Jackson, Mississippi, 1962. Where black maids raise white children, but aren't trusted not to steal the silver... There's Aibileen, raising her seventeenth white child and nursing the hurt caused by her own son's tragic death; Minny, whose cooking is nearly as sassy as her tongue; and white Miss Skeeter, home from College, who wants to know why her beloved maid has disappeared. Skeeter, Aibileen and Minny. No one would believe they'd be friends; fewer still would tolerate it. But as each woman finds the courage to cross boundaries, they come to depend and rely upon one another. Each is in search of a truth. And together they have an extraordinary story to tell... The other side of Gone with the Wind - and just as unputdownable Sunday Times A big, warm girlfriend of a book The Times Harper Lee's classic novel To Kill a Mockingbird has changed lives. Its direct descendent The Help has the same potential...an astonishing feat of accomplishment Daily Express

**Start with Why** Simon Sinek 2011-12-27 The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. START WITH WHY asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. START WITH WHY shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

[Look Closer](#) David Ellis 2022-07-05 "Wildly entertaining."--New York Times Book Review From the bestselling and award-winning author comes a wickedly clever and fast-paced novel of greed, revenge, obsession—and quite possibly the perfect murder. Simon and Vicky couldn't seem more normal: a wealthy Chicago couple, he a respected law professor, she an advocate for domestic violence victims. A stable, if unexciting marriage. But one thing's for sure ... absolutely nothing is what it seems. The pair are far from normal, and one of them just may be a killer. When the body of a beautiful socialite is found hanging in a mansion in a nearby suburb, Simon and Vicky's secrets begin to unravel. A secret whirlwind affair. A twenty-million-dollar trust fund about to come due. A decades-long grudge and obsession with revenge. These are just a few of the lies that make up the complex web...and they will have devastating consequences. And while both Vicky and Simon are liars, just who exactly is conning who? Part Gone Girl, part Strangers on a Train, Look Closer is a wild rollercoaster of a read that will have you questioning everything you think you know.

**Nineteen Eighty-Four** George Orwell 2021-01-28 Nineteen Eighty-Four (1949) was George Orwell's final novel and was completed in difficult conditions shortly before his early death. It is one of the most influential and widely-read novels of the post-war period.

[Everything I Never Told You](#) Celeste Ng 2014-06-26 The acclaimed debut novel by the author of Little Fires Everywhere and Our Missing Hearts "A taut tale of ever deepening and quickening suspense." —O, the Oprah Magazine "Explosive . . . Both a propulsive mystery and a profound examination of a mixed-race family." —Entertainment Weekly "Lydia is dead. But they don't know this yet." So begins this exquisite novel about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee, and her parents are determined that she will fulfill the dreams they were unable to pursue. But when Lydia's body is found in the local lake, the delicate balancing act that has been keeping the Lee family together is destroyed, tumbling them into chaos. A profoundly moving story of family, secrets, and longing, Everything I Never Told You is both a gripping page-turner and a sensitive family portrait, uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another.

[Fall from Innocence](#) 2008

**Trash** Andy Mulligan 2010-09-02 NOW A MAJOR FILM BY STEPHEN DALDREY AND RICHARD CURTIS Raphael is a dumpsite boy. He spends his days wading through mountains of steaming trash, sifting it, sorting it, breathing it, sleeping next to it. Then one unlucky-lucky day, Raphael's world turns upside down. A small leather bag falls into his hands. It's a bag of clues. It's a bag of hope. It's a bag that will change everything. Soon Raphael and his friends Gardo and Rat are running for their lives. Wanted by the police, it takes all their quick-thinking and fast-talking to stay ahead. As the net tightens, they uncover a dead man's mission to put right a terrible wrong. And now it's three street boys against the world...

[How Democracies Die](#) Steven Levitsky 2019-01-08 NEW YORK TIMES BESTSELLER • "Comprehensive, enlightening, and terrifyingly timely."—The New York Times Book Review (Editors' Choice) WINNER OF THE GOLDSMITH BOOK PRIZE • SHORTLISTED FOR THE LIONEL GELBER PRIZE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • Time • Foreign Affairs • WBUR • Paste Donald Trump's presidency has raised a question that many of us never thought we'd be asking: Is our democracy in danger? Harvard professors Steven Levitsky and Daniel Ziblatt have spent more than twenty years studying the breakdown of democracies in Europe and Latin America, and they believe the answer is yes. Democracy no longer ends with a bang—in a revolution or military coup—but with a whimper: the slow, steady weakening of critical institutions, such as the judiciary and the press, and the gradual erosion of long-standing political norms. The good news is that there are several exit ramps on the road to authoritarianism. The bad news is that, by electing Trump, we have already passed the first one. Drawing on decades of research and a wide range of historical and global examples, from 1930s Europe to contemporary Hungary, Turkey, and Venezuela, to the American South during Jim Crow, Levitsky and Ziblatt show how democracies die—and how ours can be saved. Praise for How Democracies Die "What we desperately need is a sober, dispassionate look at the current state of affairs. Steven Levitsky and Daniel Ziblatt, two of the most respected scholars in the field of democracy studies, offer just that."—The Washington Post "Where Levitsky and Ziblatt make their mark is in weaving together political science and historical analysis of both domestic and international democratic crises; in doing so, they expand the conversation beyond Trump and before him, to other countries and to the deep structure of American democracy and politics."—Ezra Klein, Vox "If you only read one book for the rest of the year, read How Democracies Die. . . .This is not a book for just Democrats or Republicans. It is a book for all Americans. It is nonpartisan. It is fact based. It is deeply rooted in history. . . . The best commentary on our politics, no contest."—Michael Morrell, former Acting Director of the Central Intelligence Agency (via Twitter) "A smart and deeply informed book about the ways in which democracy is being undermined in dozens of countries around the world, and in ways that are perfectly legal."—Fareed Zakaria, CNN

[The Death and Life of Great American Cities](#) Jane Jacobs 2016-07-20 Thirty years after its publication, The Death and Life of Great American Cities was described by The New York Times as "perhaps the most influential single work in the history of town planning....[It] can also be seen in a much larger context. It is first of all a work of literature; the descriptions of street life as a kind of ballet and the biting satiric account of traditional planning theory can still be read for pleasure even by those who long ago absorbed and appropriated the book's arguments." Jane Jacobs, an editor and writer on architecture in New York City in the early sixties, argued that urban diversity and vitality were being destroyed by powerful architects and city planners. Rigorous, sane, and delightfully epigrammatic, Jacobs's small masterpiece is a blueprint for the humanistic management of cities. It is sensible, knowledgeable, readable, indispensable. The author has written a new foreword for this Modern Library edition.

**The Independent Woman** Simone De Beauvoir 2018-11-06 "Like man, woman is a human being." When The Second Sex was first published in Paris in 1949—groundbreaking, risqué, brilliantly written and strikingly modern—it provoked both outrage and inspiration. The Independent Woman contains three key chapters of Beauvoir's masterwork, which illuminate the feminine condition and identify practical social reforms for gender equality. It captures the essence of the spirited manifesto that switched on light bulbs in the heads of a generation of women and continues to exert profound influence on feminists today.

**The Boy in the Striped Pajamas** John Boyne 2008-12-18 Two young boys encounter the best and worst of humanity during the Holocaust in this powerful read that USA Today called "as memorable an introduction to the subject as The Diary of Anne Frank." Berlin, 1942: When Bruno returns home from school one day, he discovers that his belongings are being packed in crates. His father has received a promotion and the family must move to a new house far, far away, where there is no one to play with and nothing to do. A tall fence stretches as far as the eye can see and cuts him off from the strange people in the distance. But Bruno longs to be an explorer and decides that there must be more to this desolate new place than meets the eye. While exploring his new environment, he meets another boy whose life and circumstances are very different from

his own, and their meeting results in a friendship that has devastating consequences.

**Candide** ( Candide ) Voltaire 2011-04-15

[The Book of the Courtier](#) conte Baldassarre Castiglione 1903

**Talking to Strangers** Malcolm Gladwell 2019-09-10 Malcolm Gladwell, host of the podcast Revisionist History and author of the #1 New York Times bestseller Outliers, offers a powerful examination of our interactions with strangers and why they often go wrong—now with a new afterword by the author. A Best Book of the Year: The Financial Times, Bloomberg, Chicago Tribune, and Detroit Free Press How did Fidel Castro fool the CIA for a generation? Why did Neville Chamberlain think he could trust Adolf Hitler? Why are campus sexual assaults on the rise? Do television sitcoms teach us something about the way we relate to one another that isn't true? Talking to Strangers is a classically Gladwellian intellectual adventure, a challenging and controversial excursion through history, psychology, and scandals taken straight from the news. He revisits the deceptions of Bernie Madoff, the trial of Amanda Knox, the suicide of Sylvia Plath, the Jerry Sandusky pedophilia scandal at Penn State University, and the death of Sandra Bland—throwing our understanding of these and other stories into doubt. Something is very wrong, Gladwell argues, with the tools and strategies we use to make sense of people we don't know. And because we don't know how to talk to strangers, we are inviting conflict and misunderstanding in ways that have a profound effect on our lives and our world. In his first book since his #1 bestseller David and Goliath, Malcolm Gladwell has written a gripping guidebook for troubled times.

**Leaders Eat Last** Simon Sinek 2017-05-23 Finally in paperback: the New York Times bestseller by the acclaimed, bestselling author of Start With Why and Together is Better. Now with an expanded chapter and appendix on leading millennials, based on Simon Sinek's viral video "Millenials in the workplace" (150+ million views). Imagine a world where almost everyone wakes up inspired to go to work, feels trusted and valued during the day, then returns home feeling fulfilled. This is not a crazy, idealized notion. Today, in many successful organizations, great leaders create environments in which people naturally work together to do remarkable things. In his work with organizations around the world, Simon Sinek noticed that some teams trust each other so deeply that they would literally put their lives on the line for each other. Other teams, no matter what incentives are offered, are doomed to infighting, fragmentation and failure. Why? The answer became clear during a conversation with a Marine Corps general. "Officers eat last," he said. Sinek watched as the most junior Marines ate first while the most senior Marines took their place at the back of the line. What's symbolic in the chow hall is deadly serious on the battlefield: Great leaders sacrifice their own comfort—even their own survival—for the good of those in their care. Too many workplaces are driven by cynicism, paranoia, and self-interest. But the best ones foster trust and cooperation because their leaders build what Sinek calls a "Circle of Safety" that separates the security inside the team from the challenges outside. Sinek illustrates his ideas with fascinating true stories that range from the military to big business, from government to investment banking.

**The Stranger** Albert Camus 2012-08-08 With the intrigue of a psychological thriller, Camus's masterpiece gives us the story of an ordinary man unwittingly drawn into a senseless murder on an Algerian beach. Behind the intrigue, Camus explores what he termed "the nakedness of man faced with the absurd" and describes the condition of reckless alienation and spiritual exhaustion that characterized so much of twentieth-century life. First published in 1946; now in translation by Matthew Ward.

**Good Economics for Hard Times** Abhijit V. Banerjee 2019-11-12 The winners of the Nobel Prize show how economics, when done right, can help us solve the thorniest social and political problems of our day. Figuring out how to deal with today's critical economic problems is perhaps the great challenge of our time. Much greater than space travel or perhaps even the next revolutionary medical breakthrough, what is at stake is the whole idea of the good life as we have known it. Immigration and inequality, globalization and technological disruption, slowing growth and accelerating climate change--these are sources of great anxiety across the world, from New Delhi and Dakar to Paris and Washington, DC. The resources to address these challenges are there--what we lack are ideas that will help us jump the wall of disagreement and distrust that divides us. If we succeed, history will remember our era with gratitude; if we fail, the potential losses are incalculable. In this revolutionary book, renowned MIT economists Abhijit V. Banerjee and Esther Dufo take on this challenge, building on cutting-edge research in economics explained with lucidity and grace. Original, provocative, and urgent, Good Economics for Hard Times makes a persuasive case for an intelligent interventionism and a society built on compassion and respect. It is an extraordinary achievement, one that shines a light to help us appreciate and understand our precariously balanced world.

**The Picture of Dorian Gray** Oscar Wilde 2008-09-01 Oscar Wilde's The Picture of Dorian Gray is the story of a man who makes a devilish pact never to grow old. Dorian Gray remains forever young, indulging in unspeakable pleasures while his portrait bears the mark of his corrupt existence. A beautifully decadent tale of the destructive allure of perpetual youth, The Picture of Dorian Gray is a masterpiece of Victorian gothic horror.

[Nine Perfect Strangers](#) Liane Moriarty 2018-09-18 From the no. 1 New York Times bestselling author of The Husband's Secret, and Big Little Lies with new novel Apples Never Fall out now. NOW A MAJOR TV MINISERIES ON AMAZON PRIME The retreat at health and wellness resort Tranquillum House promises total transformation. Nine stressed city dwellers are keen to drop their literal and mental baggage, and absorb the meditative ambience while enjoying their hot stone massages. Watching over them is the resort's director, a woman on a mission to reinvigorate their tired bodies and minds. These nine perfect strangers have no idea what is about to hit them. With her wit, compassion and uncanny understanding of human behaviour, Liane Moriarty explores the depth of connection that can be formed when people are thrown together in... unconventional circumstances. LONGLISTED FOR THE ABIA GENERAL FICTION BOOK OF THE YEAR 2019 LONGLISTED FOR THE INDIE BOOK AWARD FOR FICTION 2019 PRAISE FOR NINE PERFECT STRANGERS "She is...both hugely popular yet subversive...Nine Perfect Strangers shows Moriarty still taking risks with fiction...weighty issues writ with humour and a light touch. The hammer is still in the handbag, ready to smash a glass window or two." Lucy Sussex, The Australian "Welcome to Tranquillum House where those Perfect Strangers ... have come to sort out their lives ...This gives Moriarty the opportunity to do what she does best, write about the human condition and connections that bind us all, with wicked humour, empathy and compassion - and a little bit of danger thrown in." Frances Whiting, Courier Mail PRAISE FOR LIANE MORIARTY "One of the few writers I'll drop anything for. Her books are wise, honest, beautifully observed..." Jojo Moyes "Moriarty is a deft storyteller who creates believable, relatable characters." Washington Post "Moriarty is brilliant at her craft, all the time cranking up the suspense." The Age "funny and scary" Stephen King "Sharply intelligent" Entertainment Weekly "Mistress of the razor-sharp observation" Kate Morton

**Mother of Strangers** Suad Amiry 2022-08-02 Set in Jaffa in between 1947 and 1951, this "fable-like historical novel of young love ... darkly humorous and touching" (Oprah Daily) is based on a true story during the beginning of the destruction of Palestine and displacement of its people. Based on the true story of two Jaffa teenagers, Mother of Strangers follows the daily lives of Subhi, a fifteen-year-old mechanic, and Shams, the thirteen-year-old student he hopes to marry one day. In this prosperous and cosmopolitan port city, with its bustling markets, cinemas, and cafés on the hills overlooking the Mediterranean Sea, we meet many other unforgettable characters as well, including Khawaja Michael, the elegant and successful owner of orange groves above the harbor; Mr. Hassan, the tailor who makes Subhi's treasured English suit, which he hopes will change his life; and the very mischievous and outrageous Uncle Habeeb, who insists on introducing Subhi to the local bordello. With a thriving orange export business, Jaffa had always been a city welcoming to outsiders—the "Mother of Strangers"—where Muslims, Jews, and Christians lived peacefully together. Once the bombardment of the city begins in April 1948, Suad Amiry gives us the grim but fascinating details of the shock, panic, and destruction that ensues. Jaffa becomes unrecognizable, with neighborhoods flattened, families removed from their homes and separated, and those who remain in constant danger of arrest and incarceration. Most of the population flees eastward to Jordan or by sea to Lebanon in the north or to Egypt and Gaza in the south. Subhi and Shams will never see each other again. Suad Amiry has written a vivid and devastating account of a seminal moment in the history of the Middle East—the beginning of the end of Palestine and a portrait of a city irrevocably changed.

**The Grass is Singing** Doris Lessing 1973 This murder story features a Rhodesian farmer's wife and her houseboy.

Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

**Love for Imperfect Things** Haemin Sunim 2018-12-24 Susan Cain, New York Times bestselling author of *Quiet*: "The world could surely use a little more love, a little more compassion, and a little more wisdom. In

*Love for Imperfect Things*, Haemin Sunim shows us how to cultivate all three, and to find beauty in the most imperfect of things—including your very own self." A #1 internationally bestselling book of spiritual wisdom about learning to love ourselves, with all our imperfections, by the Buddhist author of *The Things You Can See Only When You Slow Down* Hearing the words "be good to yourself first, then to others" was like being struck by lightning. Many of us respond to the pressures of life by turning inward and ignoring problems, sometimes resulting in anxiety or depression. Others react by working harder at the office, at school, or at home, hoping that this will make ourselves and the people we love happier. But what if being yourself is enough? Just as we are advised on airplanes to take our own oxygen first before helping others, we must first be at peace with ourselves before we can be at peace with the world around us. In this beautiful follow-up to his international bestseller *The Things You Can See Only When You Slow Down*, Zen Buddhist monk Haemin Sunim turns his trademark wisdom to the art of self-care, arguing that only by accepting yourself—and the flaws that make you who you are—can you have compassionate and fulfilling relationships with your partner, your family, and your friends. With more than thirty-five full-color illustrations, *Love for Imperfect Things* will appeal to both your eyes and your heart, and help you learn to love yourself, your life, and everyone in it. When you care for yourself first, the world begins to find you worthy of care. [The Company of Strangers](#) Paul Seabright 2004 This is a wonderful book, very well written and accessible to a wide audience.
