Cold Blood Heather Hildenbrand 2011-11-22 Wood Point Academy is not at all what I expected. For one thing, it looks like a cross between military school and Buckingham Palace. Everyone stares, the floors shine so bright you can see your reflection in them from a mile away, and no one smiles. Unless they're kicking your butt in the process. At least I've got plenty to take my mind off the fact that my psycho cousin, Miles DeLuca, keeps calling and declaring his love and promising to come for me just as soon as he's destroyed anyone standing in our way. Wes isn't going to like that idea. So between Miles, Wood Point's evil welcoming committee, and the drill sergeant hottie trainer from hell, I just keep asking myself...How did I end up here? Cold Blood is Book 2 in the Dirty Blood series

L.E. Wilson 2015-12-26 This book was previously published with a different cover and the title "Blood Obsession". Sacrifices had to be made for the greater, bloody good. At least that's what vampire Aiden Sinclair kept telling himself when he woke up in an unfamiliar city with no memory of how he'd gotten there, or why. When he happens upon a cheeky witch in distress who's being hunted by beasts he is all too familiar with, Aiden must make a choice: Suppress his fears and be with the girl, or embrace the truth and save them all. Destinies will be fulfilled. Grace Moss may be a witch, but her magic totally sucks. Hence the reason she finds herself saying yes to an unexpected offer of aid from a dusty, yet yummy-smelling, vampire. With a sexy British accent and bright grey eyes that dance with mischief, his touch makes her blood sing. Yet, something about him makes her skin crawl, and it's not just the fact he has fangs. To survive, Aiden will have to trust that her love will be enough to save him, and Grace will have to accept him as he is - into her heart, and into her arms. If you like British heroes, fated mates, romantic suspense, and alpha males with a soft side, you'll love A Vampire Possessed! **Kill Nation Two: Blood Vengeance** Lucia Alexandria 2017-04-23 Book 2 has our female ninja assassin, leader of Kill Nation, defeating one set of foes only to become entwined with a much darker enemy.
