stimulated? You surely know that plopping your little one in front of the TV is definitely not the best solution. You also know how all those hi-tech educational toys have the potential to make a huge dent in your budget. And if you're following the latest trends for minimalism and zero waste, filling your home with tons of garishly colored plastic stuff sounds like a nightmare to you. So.. is there a children's activity that's fun, affordable, and good for their development at the same time (and doesn't produce clutter)? Try giving them some fun mazes to solve. They might appear simple to you, but they come with a host of benefits for your child: Deep work and improved concentration Successful problem-solving Stronger hands that are ready to learn writing

best path to reach the goal in every activity. Constant practice helps nurture the mind and build hand eye coordination, problem solving skills, muscle memory and dexterity. Each maze is lovingly designed with cute characters and illustrations that your child can color in that are sure to keep your kid engaged. Mazes have increasing difficulty to get your child easily started off with the logic of maze solving and progressing to more challenging mazes as your child gets more experience. Real world logic is incorporated in the mazes, examples are: help chicken to the coop and bring the ball to the hoop. Real world logic helps anchor the activities to real life situations and can be experience for your child.

Mazes: An Activity Book  
That Brings Joy To  
Children & Boosts Their  
Logical Skills When  
parents want to amuse  
their children, they  
usually put a movie on  
the TV or let the child  
play video games. But  
why would you increase  
your child's screen time  
when there are so many  
other interesting things  
to do?! One of the best  
activities for kids is,  
believe it or not,  
activity books. As  
wonderful as reading  
books can be for  
stimulating the  
imagination, youngsters  
need more than that.  
Children's activity  
books are ideal for  
providing kids with more  
than just the early  
reading experience that  
is essential to their  
later academic strength.  
Activity books for kids  
that encourage children
