Learning how to Learn Idries Shah 1978 Learning How to Learn contains the authentic material from the Sufi stand-point, written in response to more than 70,000 questions received from government leaders, housewives, philosophy professors, and factory workers around the world. The lively question-answer format provides readers a direct experience of a Sufi learning situation. Shah draws from diverse sources, ranging from 8th-century Sufi narratives to today's newspapers, giving us insight into how Sufis learn, what they learn, and how spiritual understanding can be developed.

The Silly Chicken Idries Shah 2016-11-09                                  The Silly Chicken is a delightful and humorous tale about a chicken who learns to speak as we do - with surprising and unexpected consequences. The events that follow intrigue young children and, and at the same time, alert them in a very amusing way to the dangers of being too quick to believe everything you hear. This is illustrated/animated by Jeff Jackson's first children's book. It expresses his unique ability to create a lively and amusing world, rich in color, in which anything can happen.

Sufi Thought and Action Idries Shah 1990 This book is an anthology of the extraordinary diversity of Sufi ideas and activities in many countries and cultures today. Nothing approaching this kind of survey has ever been assembled. In addition to first-hand accounts of Sufi learning methods, subjects covered include the Sufi meeting place, avoiding imitators, Sufi work enterprises, the idea of organic enterprises, entry into a Sufi group, the Sufi Adept and the projection of mind, extra-sensory perception, what the Sufis do not want us to know, and more.

Seeker After Truth Idries Shah 1992

The Book of the Book Idries Shah 1969

The Book of the Book Idries Shah 2019-11-26 Used for more than seven hundred years as a teaching story, The Book of the Book is one of the most compelling and astonishing texts ever to emerge from the Orient. Its central premise is the simple phrase: 'When you realize the difference between the container and the content, you will have knowledge.' When the book first appeared in English thirty-five years ago, its printers questioned how it could be a book, as did reviewers, scholars, and people who paid money to buy it. The Book of the Book is now in its seventh impression, and is studied at university level, appreciated by all for its simple brilliance. **The Magic Horse** Idries Shah 2018-07-21 This story is about Tambal, who most people think is only a dreamer. When a woodcarver makes a wooden horse, which seems just a toy, Tambal discovers it is a magic horse which can carry its rider to whatever place is in the rider's mind. In this way, Tambal learns a great many things, and eventually finds his heart's desire.

The Lion Who Saw Himself in the Water -- El Leon Que Se Vio En El Agua Idries Shah 2015-09-01 When the good-natured Share the Lion, King of all the animals, sees his reflection in a pool of water, he gasps at the fierce creature staring back at him and is too frightened to drink - until finally, he learns to overcome his fear. Children learn through Share how to deal positively with the fears and inhibitions that so often arise from situations they may not yet understand. This is one of a series of stories collected by Idries Shah - a Teaching-Story - used for hundreds of years in the East as an educational instrument to help children understand life. This story was originally told by the 13th century Sufi poet Jalaluddin Rumi. Ingrid Rodriguez's beautiful illustrations bring the story to life with warmth and humor and a distinctive richness of detail. La historia de Share el Rey LeOn y sus amigos de la selva va a entretener y a enseñar a los niños del Occidente como lo ha hecho con los niños del Oriente durante muchos siglos. Esta historia

proporciona una herramienta con la cual podrían superar miedos muchas veces causados por el comportamiento de otras personas o por hechos aUn difíciles de entender. Cuando Ingrid Rodriguez ilustró este cuento les dio vida a los animales con humor y calidez. Sus ilustraciones muestran la gran cantidad de detalles ínfimos, e inesperados, característicos de su estilo de trabajo.

The Magic Monastery Idries Shah 1991

World Tales Idries Shah 1991 No ordinary collection of tales, this anthology was the result of extensive research that led Shah to conclude that there is a certain basic fund of human fictions which recur again and again throughout the world and never seem to lose their compelling attraction. This special paperback version of World Tales concentrates on the essentials, the text of the stories, and omits the illustrations which were part of a previous edition.

The Subtleties of the Inimitable Mulla Nasrudin Idries Shah 1983 "Nasrudin is an international folk hero of medieval origin, but timeless appeal. His role changes, sometimes he is a sage, sometimes the fool: he is courtier, beggar, physician, judge and teacher. Whether his anecdotes are studied for their hidden wisdom, or enjoyed for their pungent humour, they are an enduring part of the world's culture."--Cover.

The Man and the Fox Idries Shah 2018-07-21 A man tricks a young fox into believing that he will give him a chicken. The fox is trapped, but through ingenuity and perseverance, he escapes. Reading this story inspires children to face challenges directly, and even to use the obstacles in their paths to solve problems. This story belongs to the rich and ancient storytelling tradition of Central Asia and the Middle East. Retold here by the author and educator Idries Shah, it is one of a series of illustrated books for the young. These tales are designed to foster thinking skills and perception. In an entertaining way, the stories introduce children to interesting aspects of human behavior and help them learn to recognize these patterns in daily life.

A Perfumed Scorpion Idries Shah 2000 Using the powerful approach of classical teachers, Shah has crafted a contemporary teaching tool that blends a fastpaced look at today's world with the timeless teachings of the Sufis. The book brings into sharp focus the conditioned behavior and self-deception that are common in Western minds. Far more than a literary tool for breaking loose old mental habits, it is a blueprint for a process of self-development that precludes self-deceit. Truly a book among books, A Perfumed Scorpion is treasured the world over for its clarity of wisdom and forcefulness of insight.

The Secret Lore of Magic Idries Shah 1971

The World of Nasrudin Idries Shah 2020-02-28 Nasrudin is the greatest of all Arab folk heroes, and is found across the Islamic World, from Morocco to Pakistan, and beyond. He is said to have been the wisest fool who ever lived - that is if he ever did live at all. Stories of Nasrudin's many incarnations are studied by Sufis for their hidden wisdom, and are universally enjoyed for their humour. Sometimes Nasrudin is an impoverished itinerant or stallholder, and at others, he is the mayor, judge, vizier, or even the King. The World of Nasrudin is the fourth book in the corpus written by Idries Shah, and is the last to be published by the celebrated Afghan author.

The Way of the Sufi Idries Shah 2018-07-24 The Way of the Sufi presents an unparalleled cross-section of material from Sufi schools, teachings and classical writings, as a basic course of Sufi study. The author begins with the outward aspects of the teaching most likely to puzzle the student coming fresh to the subject. He considers various attitudes to Sufi ideas, and evidence of their absorption into medieval Christianity, Hinduism, Jewish mysticism and modern philosophical teachings. The greater part of the book illuminates aspects of Sufi activity and practice relevant to the contemporary world.

Veiled Gazelle Idries Shah 2020-02-07 A 'Veiled Gazelle', as the great mystic Ibn Arabi explains in his Interpreter of Desires, is a subtlety, an organ of higher perception. Sufi experientialists refer to the activation of these centres of awareness as the awakening of real knowledge of Truth beyond form. A Veiled Gazelle considers the symbolic and instrumental employment of its

literature in Sufi studies. Seldom didactic, and never meant only as entertainment, such works are regarded as some of the world's greatest and most important writing.

Wisdom of the Idiots Idries Shah 1989 Tales from the Sufi tradition, illustrating Sufi philosophy and ways of thinking.

Destination Mecca Idries Shah 2019-06-06 First published in 1957, Destination Mecca was both an ambitious travel book and a work of ethnographic and cultural research. Shah documents a wide range of fascinating journeys, from his quest for the Gold Mines of King Solomon on Sudan's Red Sea Coast, to encounters in desert caravanserais and sojourns with Mediterranean contraband smugglers, to his time as a personal guest of the elderly King Ibn Saud. As readable now as it was more than fifty years ago, Destination Mecca acts as a beacon for young adventurers and for more sedate armchair travellers.

Oriental Magic Idries Shah 1992

World of the Sufi Idries Shah 2019-04-28 Assembled by Idries Shah, The World of the Sufi is a comprehensive collection of learned essays and papers on the subject of Sufi thought. One of the book's attractions is the way that it considers central questions and areas of study from different angles. Sufi literature, the use of humour, and Sufi communities in various cultural settings, are some of the many subjects discussed. In addition, experts in their fields comment on areas such as Sufism and Psychiatry, Indian Thought and the Sufis, and Therapy and the Sufi. Among the book's contributors are Idries Shah, Doris Lessing, Peter Brent and Dr. Arthur J. Deikman.

Darkest England Idries Shah 1999 This work offers coverage of England in an anthropological sense and from the Sufi perspective.

The Silly Chicken Idries Shah 2000 A chicken that has learned to speak as people do spreads an alarming warning, and the townspeople panic without first considering the messenger. Based on a Sufi teaching tale.

Reflections Idries Shah 1983

The Way of the Sufi Idries Shah 2004 Sufism, the mystical aspect of Islam, has had a lasting effect on the literature of that religion. It's teachings aim at perfecting the human mind. This is an anthology of Sufi writings which form an introduction to this body of thought.

Oriental Magic Sayed Idries Shah 2013-07

The Exploits of the Incomparable Mulla Nasrudin Idries Shah 1983 Collected stories about a popular figure in the folklore of many Asian and European countries.

Sufis Idries Shah 2020-06-20 The Sufis is the best introduction ever written to the philosophical and mystical school traditionally associated with the Islamic world. Powerful, concise, and intensely thought-provoking, it sums up over a thousand years of Eastern thought - the product of some of the greatest minds humanity has ever produced - into a single work, presenting timeless ideas in a fresh and contemporary style. When the book was originally published in 1964, it launched its author, Idries Shah, on to the international stage, attracting the attention of thinkers and writers such as J. D. Salinger, Doris Lessing, Ted Hughes and Robert Graves. It introduced to the Western world concepts which have subsequently become commonly accepted, varying from the psychological importance of attention and humour, to the use of traditional tales as teaching instruments (what Shah termed 'teaching-stories'), and the historical debt owed by the West to the Middle East in matters scientific, literary and philosophical. As a primer for the many dozens of Sufi books that Shah later produced, it is unsurpassed, offering a clear window onto a community whose system of thought and action has long concerned itself with the advancement of the whole of humankind, and whose ideas about individuals and society, their purpose and direction, need to be understood now more than ever before.

Life Is So Good George Dawson 2013-05-07 One man's extraordinary journey through the twentieth century and how he learned to read at age 98 "Things will be all right. People need to hear that. Life is good, just as it is. There isn't anything I would change about my life."—George Dawson In this remarkable book, George Dawson, a slave's grandson who learned to read at age 98 and lived to the age of 103, reflects on his life and shares valuable lessons in living, as well as a fresh, firsthand view of America during the entire sweep of the twentieth century. Richard Glaubman captures Dawson's irresistible voice and view of the world, offering insights into humanity, history, hardships, and happiness. From segregation and civil rights, to the wars and the presidents, to defining moments in history, George Dawson's description and assessment of the last century inspires readers with the message that has sustained him through it all: "Life is so good. I do believe it's getting better." WINNER OF THE CHRISTOPHER AWARD "A remarkable autobiography . . . the feel-good story of the year."—The Christian Science Monitor

"A testament to the power of perseverance."—USA Today "Life Is So Good is about character, soul and spirit. . . . The pride in standing his ground is matched—maybe even exceeded—by the accomplishment of [George Dawson's] hard-won education."—The Washington Post "Eloquent . . . engrossing . . . an astonishing and unforgettable memoir."—Publishers Weekly Look for special features inside. Neem the Half-boy Idries Shah 1998 Because she does not faithfully follow the instructions of Arif the Wise Man, the Queen of Hich-Hich gives birth to a half-boy, who grows up to be very clever and confronts a dragon in an effort to become whole.

The Pleasantries of the Incredible Mulla Nasrudin Idries Shah 1983 Here, Nasrudin's anecdotes are seen to be parallel to the mind's working, designed to amuse the tea-house, but also intended for use on other levels.

Darkest England Idries Shah 2020-07-21 In his best-selling Darkest England, Idries Shah asserts that the English hail from a little-known place called 'Hathaby', but their roots go back much farther, perhaps to the distant Asian realm of Sakasina. Once a nomadic tribe of warriors, the English fled westward, bringing with them epic tales, traditions, and an Oriental way of thought. Shah charts the genius of the English in adopting and adapting 'almost anything spiritual, moral or material' for their own use - a faculty that has transformed them from warrior nomads into successful diplomats, businessmen, thinkers and scientists.

Learning how to Learn Idries Shah 1996 In response to the many inquiries he has received about the Sufi tradition, leading Sufi expert Idries Shah presents a clarifying series of questions and answers that illustrates how traditional Sufi concepts can resolve our social, psychological, and spiritual problems. This is the ideal introduction to Sufi wisdom.

Speak First and Lose (English-Spanish Edition) Idries Shah 2020-06-24 Edición bilingüe español-inglés de Speak First and Lose

The Silly Chicken Idries Shah 2018-07-21 The Silly Chicken is a delightful and humorous tale about a chicken who learns to speak as we do - with surprising and unexpected consequences. The events that follow intrigue young children and, and at the same time, alert them in a very amusing way to the dangers of being too quick to believe everything you hear. This is illustrator/animator Jeff Jackson's first children's book. It expresses his unique ability to create a lively and amusing world, rich in color, in which anything can happen. This story belongs to the rich and ancient storytelling tradition of Central Asia and the Middle East. Retold here by the author and educator Idries Shah, it is one of a series of illustrated books for the young. These tales are designed to foster thinking skills and perception. In an entertaining way, the stories introduce children to interesting aspects of human behavior and help them learn to recognize these patterns in daily life.

Thinkers of the East Idries Shah 2002 Drawn from teachings of more than a hundred sages from three continents, Thinkers of the East is a book of enormous breadth and depth, the impact and vitality of which is characteristic of the Sufi emphasis on experience rather than theory.

The World of Nasrudin Idries Shah 2003 Stories of Mulla Nasrudin appear in oral traditions and literature from the Middle East to Greece, Russia to China. Many nations claim Nasrudin as a native son, but nobody really knows who he was or where he came from. Whether the stories are studied for their humour or hidden wisdom, they help us understand our world and ourselves.

The Magic Monastery Idries Shah 2017-03 Many of Idries Shah's books are comprised of tales and teaching stories taken from both written and oral sources, which illustrate the instructional methods employed by Eastern wise men for thousands of years. The Magic Monastery differs from its predecessors in that it contains not only traditional tales, mostly unpublished - but also stories specially written by Shah to complete the book as a 'course in non-linear thinking'. As with all of his works, The Magic Monastery is rich in thought-provoking material, and can be read and enjoyed at many levels.

The Commanding Self Idries Shah 1997-05 A mixture of primitive and conditioned responses, common to everyone, which inhibits and distorts human progress and understanding.

The Englishman's Handbook Idries Shah 2000 This third book in the trilogy, The Englishman's Handbook, provides the British with an invaluable manual on foreigners and "how to deal with them." Packed with anecdotes, as well as handy tips from the press, it is all that any true Britisher will need to keep foreigners from his shores - or confuse them into submission if they do manage to break through. Traditional techniques like "The Group Mind," "Masterly Inactivity," and "Aversion Therapy" are explained in full. A treasury of information and an elucidator of misinformation, it's an illuminating and hilarious read.
