The French Art of Not Trying Too Hard Ollivier Pourriol 2020-09-08 Sick of striving? Giving up on grit? Had enough of hustle culture? Daunted by the 10,000-hour rule? Relax: As the French know, it's the best way to be better at everything. In the realm of love, what could be less seductive than someone who's trying to seduce you? Seduction is the art of succeeding without trying, and that's a lesson the French have mastered. We can see it in their laissez-faire parenting, chic style, haute cuisine, and enviable home cooking: They barely seem to be trying, yet the results are world-famous--thanks to a certain je ne sais quoi that is the key to a more creative, fulfilling, and productive life. For fans of both Mark Manson's The Subtle Art of Not Giving a F*ck and Alain de Botton's How Proust Can Change Your Life, philosopher Ollivier Pourriol's The French Art of Not Trying Too Hard draws on the examples of such French legends as Descartes, Stendhal, Rodin, Cyrano de Bergerac, and Françoise Sagan to show how to be efficient à la française, and how to effortlessly reap the rewards. A PENGUIN LIFE TITLE **The Murders in the Rue Morgue** Edgar Allan Poe 2017-01-21 Edgar Allan Poe's The Murders in the Rue Morgue represents the beginning of crime fiction. The mystery was first published in Graham's Magazine in 1841 and has been recognized as the first detective story. Poe referred to it as one of his "tales of ratiocination". As the first fictional detective, Poe's Dupin displays many traits which became literary conventions in subsequent fictional detectives including Sherlock Holmes and Hercule Poirot. Many later characters, for example, follow Poe's model of the brilliant detective, his personal friend who serves as narrator, and the final revelation being presented before the reasoning that leads up to it. Dupin himself reappears in The Mystery of Marie Rogêt and The Purloined Letter.

Story of the Eye Georges Bataille 2013-09-26 Bataille's first novel, published under the pseudonym 'Lord Auch', is still his most notorious work. In this explicit pornographic fantasy, the young male narrator and his lovers Simone and Marcelle embark on a sexual quest involving sadism, torture, orgies, madness and defilement, culminating in a final act of transgression. Shocking and sacreligious, *Story of the Eye* is the fullest expression of Bataille's obsession with the closeness of sex, violence and death. Yet it is also hallucinogenic in its power, and is one of the erotic classics of the twentieth century.

Pasco 2019-07-03 The 19th-Century French Short Story, by eminent scholar, Allan H. Pasco, seeks to offer a more comprehensive view of the definition, capabilities, and aims of short stories. The book examines general instances of the genre specifically in 19th-century France by recognizing their cultural context, demonstrating how close analysis of texts effectively communicates their artistry, and arguing for a distinction between middling and great short stories. Where previous studies have examined the writers of short stories individually, *The 19th-Century French Short Story* takes a broader lens to the subject, and looks at short story writers as they grapple with the artistic, ethical, and social concerns of their day. Making use of French short story masterpieces, with reinforcing comparisons to works from other traditions, this book offers the possibility of a more adequate appreciation of the under-valued short story genre.

The Diving Bell and the Butterfly Jean-Dominique Bauby 2008-03-06 A celebration of the liberating power of consciousness—a triumphant book that lets us witness an indomitable spirit and share in the pure joy of its own survival. In 1995, Jean-Dominique Bauby was the editor-in-chief of French *Elle*, the father of two young children, a 44-year-old man known and loved for his wit, his style, and his impassioned approach to life. By the end of the year he was also the victim of a rare kind of stroke to the brainstem. After 20 days in a coma, Bauby awoke into a body which had all but stopped working: only his left eye functioned, allowing him to see and, by blinking it, to make clear that his mind was unimpaired. Almost miraculously, he was soon able to express himself in the richest detail: dictating a word at a time, blinking to select each letter as the alphabet was recited to him slowly, over and over again. In the same way, he was able eventually to compose this extraordinary book. By turns wistful, mischievous, angry, and witty, Bauby bears witness to his determination to live as fully in his mind as he had been able to do in his body. He explains the joy, and deep sadness, of seeing his children and of hearing his aged father's voice on the phone. In magical sequences, he imagines traveling to other places and times and of lying next to the woman he loves. Fed only intravenously, he imagines preparing and tasting the full flavor of delectable dishes. Again and again he returns to an "inexhaustible reservoir of sensations," keeping in touch with himself and the life around him. Jean-Dominique Bauby died two days after the French publication of *The Diving Bell and the Butterfly*. This book is a lasting testament to his life.
