Claude Monet Claude Monet 2010 In May of 2010, Gagosian Gallery presented the most significant gathering of late Claude Monet paintings in New York in more than thirty years. The catalogue for the exhibition that the New York Times described as "a gorgeous 'where on earth did this come from?' show," focuses on important subjects drawn from the artist's gardens at Giverny. *Nymphéas*, *Le pont japonais*, and *L'allée de rosiers* are among the most treasured paintings of Monet's long and prodigious career. Reproduced in luscious color are early *Nymphéas* that were first shown in 1909 at the Galerie Durand-Ruel to great critical acclaim. From these delicate, poetic paintings follow the more experimental post-1914 paintings, which were never exhibited during the artist's lifetime. In addition to the 27 sumptuous colour plates, the catalogue is illustrated by numerous colour images of paintings, as well as black-and-white historical photos. It includes a new essay by Paul Hayes Tucker, one of the foremost authorities on Monet and curator of the exhibition; an extract from Michel Butor's seminal 1962 text, "Monet, or the World Turned Upside Down" and a detailed chronology of Monet's life and exhibitions while at Giverny written by leading Monet scholar Charles Stuckey. Also included is a compendium of historical reviews that have been translated from their original French, Italian, or German language and which have been assembled for the first time by Claire Durand-Ruel Snollaerts.

Monet. the Triumph of Impressionism Daniel Wildenstein 2014-03-15 A major biography of the artist, supported by a wealth of examples of his work.

The Colour of Time Virginia Spate 1992

The Impressionists' Table Alexandra Leaf 1994 "A cookbook for the modern gourmet and a stunning book on the art and gastronomy of nineteenth-century France, *The Impressionists' Table* evokes the French tradition of dining through the Impressionists' paintings of picnics, cafes, and restaurants, as well as vivid, richly textured still lifes of food." "The book features fifteen complete menus with eight recipes each, along with wine suggestions for each menu. The recipes included here are all drawn from sources that date from the Impressionist era; the majority are culled from cookbooks in popular use at the time. Some, however, are the creations of the Impressionist painters themselves - namely, Claude Monet and Henri de Toulouse-Lautrec, who were avid cooks. All of the recipes are modern-day adaptations of nineteenth-century favorites with enduring gourmet appeal."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. Claude Monet Claude Monet

Monet Paints a Day Julie Danneberg 2012-07-01 Recalls a working day in the life of Impressionist painter Claude Monet, when, so absorbed in his attempts to paint a rock formation on the French seashore, he didn't notice the tide coming in and was

doused by a large wave, losing his canvas and paints in the process!

Monet's Garden in Giverny Musée des impressionnismes (Giverny, France) 2009-09 The arts.

The Gardens at Giverny Stephen Shore 1983 A Colorful Photographic Tribute to the Gardens Celebrated in Monet's Paintings Claude Monet found inspiration in the rose-covered trellises, the wild ramble of nasturtiums, and the idle drift of water lilies in the gardens of Giverny outside Paris. So, too, did Stephen Shore, who photographed the gardens one hundred years later, upon their painstaking restoration to the state they had enjoyed during Monet's lifetime. Originally commissioned by the Metropolitan Museum of Art to photograph the renaissance of the gardens, Shore visited Giverny over a period of six years beginning in 1977. Going before dawn and leaving after dusk, visiting in different seasons, he came to know the gardens in all the moods and textures that nurtured Monet. "With the sensitivity of a poet, Stephen Shore has given a new interpretation of this garden, which so enchanted Claude Monet," writes Gerald Van Der Kamp, the man in charge of spearheading the careful revival of Monet's beloved gardens. Shore's uncompromising fidelity to both the gardens' plenitude and his desire to present the abstract beauty of nature results in exquisitely serene photographs that express the essence of Giverny.

Recipe for success Andrea M. Hutchinson 2014-02-03 ADVENTURE Seren wants to go on a school trip to Paris more than anything. But when her Dad won't even let her walk home from school by herself, how is she going to convince him? Determined not to give up on her dream, Seren comes up with a plan. But she quickly learns that even the best plans can go wrong, and even the biggest dreams can end up broken. She needs another plan fast. But will it be good enough to convince her Dad?

Dossiers: A food journey across the United Kingdom, Claude Monet, Wales

Everyday Monet Aileen Bordman 2018-06-05 Bring Monet's paintings and gardens to life using this gorgeously illustrated book that will teach you how to create a Monet lifestyle from your living room to your kitchen to your garden—from the documentarian and author of *Monet's Palate Cookbook*, with the support of the American steward and all the head gardeners at Giverny. Aileen Bordman has long been influenced by the work of Claude Monet, one of the founders of French Impressionist painting whose esteemed works capturing the simple beauties of fin de siècle French life—from waterlilies to haystacks—have fetched astonishing sums at private auction houses and can be found in the greatest art museums around the globe. With direct access to Giverny through a pair of insiders—her mother, a steward of the Giverny estate, and its head gardener—she transports you to Monet's garden at Giverny, the third most visited site in France, in *Everyday Monet*. Combining the history, palette colors, and designs of Monet's gardens and paintings in this one-of-a-kind volume, Aileen shows how to encapsulate a home and lifestyle inspired by the artist. Filled with insights, step-by-step instructions, musings, recipes, gorgeous photography, and how-to graphics, *Everyday Monet* teaches how to grow a garden like Monet, preserve a waterlily inside the home, decorate a dining room table or a bathroom inspired by Monet's aesthetic, and prepare foods that inspire your inner-Impressionist. Filled with lush photos of Monet's milieu—from the gardens of Giverny to the streets of Normandy—and reproductions of Monet's most famous paintings, *Everyday Monet* is a practical guide to finding ways to implement Monet's beautiful designs into any home and garden, whether you live on a country estate or in a city apartment, and is a memorable keepsake Monet devotees will treasure.

Claude Monet Georges Clemenceau 2017 "In 1928, the former French Prime Minister Georges Clemenceau published *Claude Monet : les nymphéas* (The water-lilies), a memoir of his longtime friend. Bruce Michelson has produced a new English translation, presented here with useful notes and illustrations. Michelson's translations of three short essays on art by Clemenceau, originally published by La justice in the late XIX c., are included as appendices"--

Monet and the Birth of Impressionism Felix Krämer 2015 Brimming with illustrations of some of the world's best loved Impressionist paintings, this book offers fresh and fascinating insights to explain why, initially, Impressionism was considered radical--and why it remains one of the most popular artistic movements of all time. By focusing on Impressionism's earliest stages, the book offers a thorough and satisfying exploration that paves the way for a deeper understanding of the movement's myriad hybridizations and, eventually, the birth of abstraction. This delightful overview also offers readers a thoughtful context from which to appreciate these most beautiful works of art.

The Met Claude Monet Amy Guglielmo 2022-07-12 See the world through Claude Monet's eyes and be inspired to produce your own masterpieces. Have you ever wondered exactly what your favourite artists were looking at to make them draw, sculpt, or paint the way they did? In this charming ebook version of illustrated series of books to keep and collect, created in full collaboration with The Metropolitan Museum of Art, you can see what they saw, and be inspired to create your own artworks, too. In *What the Artist Saw: Claude Monet*, meet the famous French painter. Step into his life and learn how he pioneered the Impressionist movement. Learn all about his love of nature and how he was inspired to paint light, water, and waterlilies. Have a go at producing your own art inspired by what you find most beautiful about nature! In this series, follow the artists' stories and find intriguing facts about their environments and key masterpieces. Then see what you can see and make your own art. Take a closer look at landscapes, or even yourself, with Vincent van Gogh. Try crafting a story in fabric like Faith Ringgold, or carve a woodblock print at home with Hokusai. Every ebook in this series is one to treasure and keep - perfect for budding young artists to explore exhibitions with, then continue their own artistic journeys.

Monet Charles F. Stuckey 2006-01-01 Claude Monet (1840--1926) was both the most typical and the most individual painter of impressionism. His long life and extraordinary work capacity--coupled with a sometimes furious perfectionism--he dedicated to a pictorial exploration of the sensations which reality, and in particular landscape, offer the human eye. This book has 132 color and 119 black-and-white photos. It is based on years of intensive research, selection, and translation, in Europe and the United States.

The Impressionists at Argenteuil Paul Hayes Tucker 2000 In the 1870s, Argenteuil, located on the outskirts of Paris, was still unmarred by urban industrialization. This book explores the responses to Argenteuil of six influential painters in more than 50 of their works. Catalogue for an upcoming exhibition at the National Gallery in Washington, D.C. 105 illustrations, 70 in color.

Monet: Painter of the Lilies (Level 3 Reader) Rivet 2019-06-10 From first introductions to deep dives into the wonders of our world, Rivet nonfiction books fascinate young readers. A level 3 reader in the *Who is the Painter?* series, *Monet: Painter of the Lilies* will feed readers' curiosity about People, History, Arts.

Claude Monet Paul Hayes Tucker 1995 This beautiful book is a comprehensive and accessible study of Monet's achievement that sets his rich legacy into the context of his life and times. Tucker offers strikingly new interpretations based on a close examination of individual paintings, Monet's biography, and the multiple forces that shaped his aesthetic. Illustrated with 140 color reproductions. Major ads/media.

Paint Like Monet James Heard 2006-08-01 Monet's revolutionary approach to painting allowed a new understanding of light, composition, and form. By exploring how his paintings were conceived, constructed, and executed, aspiring artists can broaden their technical knowledge and vastly expand their creative horizons. The first in a new series of instructional books, *Paint Like Monet* takes the reader on a guided journey through the artist's methods, tools, materials, and techniques. Step-by-step exercises and detailed explanations of composition and context are complemented by ideas on developing a personal style and tips on how to check and improve a painting in progress. This hands-on encounter with Impressionist theory is rich with insight and inspiration for anyone interested in art--offering a master class with one of history's greatest artists.

Claude Monet Martina Padberg 2019-07 Claude Monet's extensive work is revealed in numerous images. He was a painter who like no other moved perception to the center of his artistic activities. Nature became his own studio. This resulted in fascinating landscapes of different times and seasons in the mirror of wind and weather.

A Picnic with Monet Julie Merberg 2003-07 Provides a simple introduction to the work of French artist Claude Monet, featuring his Impressionist paintings of city and country scenes.

Mad Enchantment Ross King 2016-09-08 Claude Monet's water lily paintings are among the most iconic and beloved works of art of the past century. Yet these entrancing images were created at a time of terrible private turmoil and sadness for the artist. The dramatic history behind these paintings is little known; Ross King's *Mad Enchantment* tells the full story for the first time and, in the process, presents a compelling and original portrait of one of our most popular and cherished artists. By the outbreak of war in 1914, Monet, then in his mid-seventies, was one of the world's most famous and successful painters, with a large house in the country, a fleet of automobiles and a colossal reputation. However, he had virtually given up painting following the death of his wife Alice in 1911 and the onset of blindness a year later. Nonetheless, it was during this period of sorrow, ill health and creative uncertainty that -- as the guns roared on the Western Front -- he began the most demanding and innovative paintings he had ever attempted. Encouraged by close friends such as Georges Clemenceau, France's dauntless prime minister, Monet would work on these magnificent paintings throughout the war years and then for the rest of his life. So obsessed with his monumental task that the village barber was summoned to clip his hair as he worked beside his pond, he covered hundreds of yards of canvas with shimmering layers of pigment. As his ambitions expanded with his paintings, he began planning what he intended to be his legacy to the world: the 'Musée Claude Monet' in the Orangerie in Paris. Drawing on letters and memoirs and focusing on this remarkable period in the artist's life, *Mad Enchantment* gives an intimate portrayal of Claude Monet in all his tumultuous complexity, and firmly places his water lily paintings among the greatest achievements in the history of art.

Monet, Claude 1900 May contain: Resumes, newspaper articles, magazine articles, invitations to exhibition openings, gallery hand-outs, check-lists of exhibitions, advertisements, obituaries, 35 mm. slides of the artist's work.

Where is the Frog? 2013-04-25 Based on the beloved series of water lily paintings by Claude Monet, this children's book draws readers into the atmosphere and colors of Monet's garden at Giverny, where a lovely but vain frog tries to insert herself into the artist's work. When Antoinette, a comely young frog, learns that a famous artist is searching for beautiful flowers to paint, she is determined to get in the picture. But once the portrait is painted, it disappears--perhaps forever. This delightfully humorous mystery is accompanied by colorful illustrations that recall Monet's paintings of the pond near his home in Giverny. The final pages of

the book feature reproductions of eight of Monet's water lily paintings. As children follow Antoinette's antics on a summer evening in France, they will become entranced by the pond, the painter, the light, and the beauty of Monet's world.

A Companion to Impressionism André Dombrowski 2024-02-27 A Companion to Impressionism Presenting an expansive view of the study of Impressionism, this pioneering volume breaks new thematic ground while also reconsidering questions concerning the definition, chronology, and membership of the impressionist movement. In 34 original essays from established and emerging scholars, this collection offers a diverse range of developing topics and new critical approaches to the interpretation of impressionist art. Focusing on the 1860s to 1890s, A Companion to Impressionism explores artists who are well-represented in impressionist studies, including Monet, Renoir, Degas, and Cassatt, as well as Morisot, Caillebotte, Bazille, and other significant yet lesser-known artists. The essays cover a wide variety of methodologies in addressing such topics as Impressionism's global predominance at the turn of the 20th century, the relationship between Impressionism and the emergence of new media, the materials and techniques of the Impressionists, as well as the movement's exhibition and reception history. This innovative volume also includes new discussions of modern identity in Impressionism in the contexts of race, nationality, gender, and sexuality and through its explorations of the international reach and influence of Impressionism. Part of the acclaimed Wiley Blackwell Companions to Art History series, this important addition to scholarship in this field stands as the 21st century's first major and large-scale academic reassessment of Impressionism. Featuring essays by academics, curators, and conservators from around the world, including those from France, Germany, the United States, the United Kingdom, Japan, Turkey, and Argentina, this is an invaluable text for students and scholars studying Impressionism and late 19th-century European art, Post-Impressionism, modern art, and modern French cultural history.

Claude & Camille Stephanie Cowell 2011-04-05 A vividly-rendered portrait of both the rise of Impressionism and of the artist at the center of the movement, Claude and Camille is above all a love story of the highest romantic order. In the mid-nineteenth century, a young man named Claude Monet decided that he would rather endure a difficult life painting landscapes than take over his father's nautical supplies business in a French seaside town. Against his father's will, and with nothing but a dream and an insatiable urge to create a new style of art that repudiated the Classical Realism of the time, he set off for Paris. But once there he is confronted with obstacles: an art world that refused to validate his style, extreme poverty, and a war that led him away from his home and friends. But there were bright spots as well: his deep, enduring friendships with men named Renoir, Cézanne, Pissarro, Manet--a group that together would come to be known as the Impressionists, and that supported each other through the difficult years. Even more illuminating was his lifelong love, Camille Doncieux, a beautiful, upper-class Parisian girl who threw away her privileged life to be by the side of the defiant painter and embrace the lively Bohemian life of their time. His muse, his best friend, his passionate lover, and the mother to his two children, Camille stayed with Monet--and believed in his work--even as they lived in wretched rooms and often suffered the indignities of destitution. But Camille had her own demons--secrets that Monet could never penetrate--including one that when eventually revealed would pain him so deeply that he would never fully recover from its impact.

Monet Christoph Heinrich 2000 Monet was the most typical and the most individual Impressionist painter. But while the painter was faithful and persevering in the pursuit of his motifs, his personal life followed a more restless course. Parisian by birth, he discovered painting as a youth in the provinces, where one of his homes, Argenteuil, has come to represent the artistic flowering and official establishment of Impressionism as a movement.

Mad Enchantment Ross King 2016-09-06 From bestselling author Ross King, a brilliant portrait of the legendary artist and the story of his most memorable achievement. Claude Monet is perhaps the world's most beloved artist, and among all his creations, the paintings of the water lilies in his garden at Giverny are most famous. Monet intended the water lilies to provide "an asylum of peaceful meditation." Yet, as Ross King reveals in his magisterial chronicle of both artist and masterpiece, these beautiful canvases belie the intense frustration Monet experienced in trying to capture the fugitive effects of light, water, and color. They also reflect the terrible personal torments Monet suffered in the last dozen years of his life. *Mad Enchantment* tells the full story behind the creation of the *Water Lilies*, as the horrors of World War I came ever closer to Paris and Giverny and a new generation of younger artists, led by Henri Matisse and Pablo Picasso, were challenging the achievements of Impressionism. By early 1914, French newspapers were reporting that Monet, by then seventy-three, had retired his brushes. He had lost his beloved wife, Alice, and his eldest son, Jean. His famously acute vision--what Paul Cezanne called "the most prodigious eye in the history of painting?--was threatened by cataracts. And yet, despite ill health, self-doubt, and advancing age, Monet began painting again on a more ambitious scale than ever before. Linking great artistic achievement to the personal and historical dramas unfolding around it, Ross King presents the most intimate and revealing portrait of an iconic figure in world culture.

Impressionists and Politics Philip G. Nord 2000 Philip Nord presents an accessible introduction to the current debates about Impressionism. He reveals why the art was controversial in its day by explaining the movement's aesthetic, institutional and political militancy. *Impressionists and Politics* is an accessible introduction to the current debates about Impressionism. Was the artistic movement really radical and innovative? Is the term "Impressionism" itself an adequate characterization of the movement of painters and critics that took the mid-nineteenth century Paris art world by storm? By providing an historical background and context, the book places the Impressionists' roots in wider social and economic transformations and explains its militancy, both aesthetic and political. *Impressionists and Politics* is a concise history of the movement, from its youthful inception in the 1860s, through to its final years of recognition and then crisis.

Mornings with Monet Barb Rosenstock 2021-03-02 A new picture book about the iconic artist Claude Monet, from the Caldecott-Award winning team that created *The Noisy Paint Box*. Claude Monet is one of the world's most beloved artists--and he became famous during his own lifetime. He rejected a traditional life laid out clean and smooth before him. Instead he chose a life of art. But not just any art: a new way of seeing that came to be called impressionism. Monet loved to paint what he saw around him, particularly the Seine River. He was initially rejected for using bright colors, tangled brushstrokes--condemned for his impressions. But soon art dealers and collectors were lining up each morning to see as Monet saw. Monet, however, waited only for the light. The changing light...each morning he had a dozen canvases on hand to paint a dozen different moments. His brush moved back and forth, chasing sunlight--putting in the arduous work to create an image that seemed to contain no effort at all. The stellar team that brought you the Caldecott Honor book *The Noisy Paint Box* explores another influential painter, in a moving tribute to creativity, commitment, and new ways of seeing the world around you.

California Impressionists Susan Landauer 1996 The years around the turn of the century were a dynamic time in American art. Different and seemingly contradictory

movements were evolving, and the dominant style that emerged during this period was Impressionism. Based in part on the broken brushwork and high-keyed palette of Claude Monet, it was a form especially suited to the dramatic landscape and shimmering light of California . . . This book celebrates forty Impressionist painters who worked in California from 1900 through the beginning of the Great Depression . . . it includes widely recognized California artists such as Maurice Braun and Guy Rose, less well known artists such as Mary DeNeale Morgan and Donna Schuster, and eastern painters who worked briefly in the region, such as Childe Hassam and William Merritt Chase . . . The contributors' essays examine the socioeconomic forces that shaped this art movement, as well as the ways in which the art reflected California's self-cultivated image as a healthful, sun-splashed arcadia.

Monet by Himself Claude Monet 2004 This volume on the life and work of Claude Monet is quite unlike any other book on this popular artist, as for the first time his letters have been brought together with his paintings, pastels and drawings. There are letters to his fellow artists and youthful friends, long affectionate letters to family and loved ones and begging letters in times of hardship. We read of Monet's persistence in money matters, his frustrations and successes while on painting expeditions to Italy, Brittany and Norway, and his experience of solitude, illness and bereavement in later life. Monet emerges from the

correspondence as a more troubled and complex individual than his sun-filled canvases might suggest. Alongside the artist's letters are more than 200 superb colour reproductions. These accompany the text and enable the reader to follow the young artist through his first encounters with the Parisian art scene, his days as a commanding presence in the Impressionist movement and the final chapter of his life when he produced some of his most ambitious and colourful work at Giverny.

Monet John House 1986-01-01 In this beautifully illustrated book, John House discusses the career and painting techniques of one of the greatest Impressionist painters, providing the fullest account ever written of Monet's working practices and the ways in which they evolved. In so doing House throws much new light on issues central to the understanding of French Impressionist painting as a whole.

Who Was Claude Monet? Ann Waldron 2009-07-23 Claude Monet is considered one of the most influential artists of all time. He is a founder of the French Impressionist art movement, and today his paintings sell for millions of dollars. While Monet was alive, however, his work was often criticized and he struggled financially. With over one hundred black-and-white illustrations, this book unveils a true portrait of the artist!

Essential Monet Vanessa Potts 2001

Monet's Garden Vivian Russell 1995 Looks at the history of Claude Monet's garden at Giverny in France and links the world of Monet the artist with Monet the gardener.
