Every Day Agent Whitney Ellis 2019-10-29 Practical, simple, effective. That's how real estate agents describe *Every Day Agent* by Whitney Ellis. An experienced agent and broker, Whitney witnessed good people giving up too quickly because they were licensed—but never really trained—in how to sell real estate. Whitney perfected her *Every Day Agent* system while helping 200-plus real estate agents jumpstart (or restart) their careers.

Now, Whitney shares her proven strategies and profoundly simple methods—that add up to more listings, closings, reliable income, and lasting success. Working Florida's most finicky markets, Whitney practiced all that she preaches through good times and catastrophic downturns. Like bottled lighting in quick-to-read chapters, *Every Day Agent* tells new and seasoned real estate agents what they need to do every day to succeed. From how to get leads and listings to tried-and-true methods used by sales veterans, readers will get started on the right foot to ramp up in real estate sales.

"I first approached Yasser in 2017 as I hated Technology & I'm not IT savvy. I found him to be a genuine, caring person who gets real results for his agents. I've been using his system for about a year, and impressively, I have managed to change the way I do business without using any of the old school methods. This is why I NEVER had to chase a single prospect since getting his system, because they came to ME fast and furious. And because of Yasser's highly effective techniques, I managed to SELL 2 landed homes in under 30 DAYS each! I'm very happy. My only regret was that I did not have enough time and manpower to follow up, as I'm very sure I could have sold even MORE homes. This is the only TOTAL system for all property agents in Singapore that I know of. I highly recommend Yasser's system if you hate technology or have no time for Marketing." - FRED TEO, KFPN There is something for EVERYONE: You're thinking of JOINING Real Estate; Once you get your license, this will be the PLAYBOOK and mentoring you need to build and grow your new career the right way by copying the success of those who succeeded before you and avoid the tears, blood and sweat of all those who failed! Self-Control: a novel. By Mary Brunton. Fourth edition Mary BRUNTON (Novelist.) 1852

Self-Control Anthony Mandal 2015-09-30 *Self-Control* (1811) was a literary sensation, going into four editions in its first year. The first novelist to set her story against a strong Scottish background, Brunton set the scene for other writers such as Walter Scott. Jane Austen was also a fan, she read it at least twice, worrying that the work might foreshadow her own creations.

Never Annuitize John Radjenovich 2015-03-27 Insurance educator John Radjenovich gives you an inside look at the life insurance industry in his new book, "Never Annuitize." Don't get suckered in by slick advertisements promoting insurance "professionals" and an industry out to get profit at the sake of yours. While there are honest agents out there, Radjenovich says they may not be totally aware of the financial implications of what they're trying to sell. Learn the different types of life insurance available and get pointers on what to consider when choosing a policy. By clearly describing concepts such as dividends and breaking down annuities, Radjenovich explains how they may work against you, rather than help you, depending on your policy. He attacks companies' commercials claiming that they've paid out billions of dollars in dividends to policyholders, claiming it does nothing but mislead the consumer. Not knowing enough may lead you into a situation where you are borrowing cash that you assumed was yours. With two decades in the business, Radjenovich will show you how to avoid that mistake and many others. Know what you're buying and make your cash work for you with "Never Annuitize."
