That Little Square Box Arthur Conan Doyle
2020-09-28 Mr. Hammond is on his way to America when he hears two passengers discussing a suspicious plan that was going to be executed at 10 o'clock in the evening. The two unknown passengers got aboard in the very last minute. Their baggage was not searched. And their plan consisted of some mysterious box. What do you think happened in the evening? Did Mr. Hammond try to warn the rest of the crew or he escaped with a life boat? Can all be a big misunderstanding or the American steamer will be blown up? Sir Arthur Conan Doyle (1859-1930) was born in Scotland and studied medicine at the University of Edinburgh. After his studies, he worked as a ship's surgeon on various boats. During the Second Boer War, he was an army doctor in South Africa. When he came back to the United Kingdom, he opened his own practice and started writing crime books. He is best known for his thrilling stories about the adventures of Sherlock Holmes. He published four novels and more than 50 short-stories starring the detective and Dr Watson, and they play an important role in the history of crime fiction. Other than the Sherlock Holmes series, Doyle wrote around thirty more books, in genres such as science-fiction, fantasy, historical novels, but also poetry, plays, and non-fiction.

Go Kiss the World Subroto Bagchi 2009-08-05

'Go, kiss the world' were Subroto Bagchi's blind mother's last words to him. These words became the guiding principle of his life. Subroto Bagchi grew up amidst what he calls the 'material simplicity' of rural and small-town Orissa, imbibing from his family a sense of contentment, constant wonder, connectedness to a larger whole and learning from unusual sources. From humble beginnings, he went on to achieve extraordinary professional success, eventually co-founding MindTree, one of India's most admired software services companies. Through personal anecdotes and simple words of wisdom, Subroto Bagchi brings to the young professional lessons in working and living, energizing ordinary people to lead extraordinary lives. *Go Kiss the World* will be an inspiration to 'young India', and to those who come from small-town India, urging them to recognize and develop their inner strengths, thereby helping them realize their own, unique potential.

The Gift of the Magi (Illustrated) O. Henry
2022-04-27 "The Gift of the Magi" is a short
story by O. Henry first published in 1905. The
story tells of a young husband and wife and how
they deal with the challenge of buying secret
Christmas gifts for each other with very little
money. The main idea of "The Gift of the Magi"
is that the value of a gift is in the giver, rather
than the gift itself. Jim and Della, out of their
love for each other, purchased a gift that
required them to sacrifice something that was
precious to them.

*A Flowering Tree and Other Oral Tales from
India* A. K. Ramanujan 1997-01-01 This book of
oral tales from the south Indian region of
Kannada represents the culmination of a lifetime
of research by A. K. Ramanujan, one of the most
revered scholars and writers of his time. The
result of over three decades' labor, this long-
awaited collection makes available for the first
time a wealth of folktales from a region that has
not yet been adequately represented in world
literature. Ramanujan's skill as a translator, his
graceful writing style, and his profound love and
understanding of the subject enrich the tales
that he collected, translated, and interpreted.
With a written literature recorded from about
800 A.D., Kannada is rich in mythology,
devotional and secular poetry, and more recently
novels and plays. Ramanujan, born in Mysore in
1929, had an intimate knowledge of the
language. In the 1950s, when working as a
college lecturer, he began collecting these tales
from everyone he could—servants, aunts,
schoolteachers, children, carpenters, tailors. In
1970 he began translating and interpreting the
tales, a project that absorbed him for the next
three decades. When Ramanujan died in 1993,
the translations were complete and he had
written notes for about half of the tales. With its
unsentimental sympathies, its laughter, and its
delightfully vivid sense of detail, the collection
stands as a significant and moving monument to
Ramanujan's memory as a scholar and writer.

Toru Dutt Dr. Sheeba Azhar 2011 The Greek Menander said that they whom the Gods love die young, and many have been the inheritors of unfulfilled renown. Perhaps none of them was so unique as Toru Dutt. Frail and delicate since birth, brought up by a doting father, who lavished every care and attention on her, born in a Hindu family but converted early to Christianity, fed on Hindu myths and legends acquired both through books and through oral

tradition, educated in Europe and longing to return to England, attracted towards the end of her life by Sanskrit and devoting weary hours to its grammatical intricacies, writing in French and English but not in her mother tongue, publishing works in both these languages, leaving behind with those who knew her the fragrant memory of an exceedingly charming personality, dying before she was twenty two, Toru Dutt is one of the most poignant examples of those who before their proper time pass through the door of darkness.
