Socially Symbolic Acts Joseph Francese 2006 This book discusses issues of broad cultural consequence by examining the work of three of Italy’s most prominent living novelists, Umberto Eco, Vincenzo Consolo, and Antonio Tabucchi. The introductory chapter continues a discussion of some of the topics already broached in the author’s Narrating Postmodern Time and Space (1997). It uses an approach that is both historicist and psychoanalytic to critically address topics in cultural studies and Italian studies. The book deals with fictions of very recent publication, many of which have been published after the turn of the millennium, filling important gaps in the critical bibliography. Close readings relate texts to their historical and cultural contexts, critiquing their ideology while preserving their Utopian moments.

Colonialism and National Identity Paolo Bertella Farnetti 2015-09-04 Until the latter part of the twentieth century, Italy’s colonial past was a largely neglected topic in historical studies. Before then, only a handful of historians had shown any inclination for rescuing it from the dusty shelves of history, to which it had been relegated. With a few exceptions – most notably Angelo Del Boca – not many had the courage to venture into such treacherous territory. Colonial studies experienced a resurgence at the start of the new millennium, with remarkable progress in the quantity and quality of research, along with the wider public’s newfound interest, as evidenced by an important conference held in Milan in 2006 and the large audience it attracted. This book addresses the relationship between national identity and colonial culture in Italy. The centrality of the construction of Otherness in the identity formation of the colonizer has been extensively reported, both in Europe and elsewhere, and the relevance of colonial heritage has also been attested. In Italy, however, this relationship has been neglected in existing historiography, and the colonial experience has traditionally been side-lined and marginalized. This volume is divided into several sections, each organized around an underlying theme. Within each theme, a broad array of topics and methodologies reflect the authors’ approach in analysing the role of colonialism in the process of Italian identity formation. The rather heterogeneous works contained in this book, which attest the vitality and complexity of the debate on Italian colonialism, are clustered around one central theme: the reconstruction of un-comfortable memories, and a past that will not pass – which overlap the challenging present circumstances of rigidity, racism and rejection. As such, this book is a work of critical reflection, assembled using varied resources and scientific tools in order to shed light on a common past that is still so near and vivid in the minds of Italians, but at the same time so denied, distorted and forgotten in the collective memory.

I Dreamed of Africa Kuki Gallmann 2012-03-29 ‘Often, at the hour of day when the savannah grass is streaked with silver, and pale gold rims the silhouettes of the hills, I drive with my dogs up to the Mukutan, to watch the sun setting behind the lake, and the evening shadows settle over the valleys and plains of the Laikipia plateau.’ Kuki Gallmann’s haunting memoir of bringing up a family in Kenya in the 1970s first with her husband Paulo, and then alone, is part elegaic celebration, part tragedy, and part love letter to the magical spirit of Africa.

The Value of Worthless Lives Ilaria Serra 2007 Publisher description

Adua Igiaba Seogo 2017-05-22 “Utterly sublime . . . Aduatells a gripping story of war, migration and family, exposing us to the pain and hope that reside in each encounter” (Maaza Mengiste, author of The Shadow King). Adua, an immigrant from Somalia, has lived in Italy nearly forty years. She came seeking freedom from a strict father and an oppressive regime, but her dreams of becoming a film star ended in shame. A searing novel about a young immigrant woman’s dream of finding freedom in Rome and the bittersweet legacies of her African past. “Lovely prose and memorable characters make this novel a thought-provoking and moving consideration of the wreckage of European oppression.” —Publishers Weekly (starred review) “Igiaba Seogo is an original voice who connects Italy’s present with its colonial past. Adua is an important novel that obliges the country to confront both memory and truth.” —Amara Lakhous, author of Dispute over a Very Italian Piglet “This book depicts the soul and the body of a daughter and a father, illuminating words that are used every day and swiftly emptied of meaning: migrants, diaspora, refugees, separation, hope, humiliation, death.” —Panorama “A memorable, affecting tale. . . Brings the decolonialization of Africa to life. . . All the more affecting for being told without sentimentality or self-pity.” —ForeWord Reviews “Deeply and thoroughly researched. . . Also a captivating read: the novel is sweeping in its geographical and temporal scope, yet Seogo nonetheless renders her complex protagonists richly and lovingly.” —Africa Is a Country

Night of the Lions Kuki Gallmann 1999

Orlando Innamorato Matteo Maria Boiardo 1831

Trnlation as Reparation Paul Bandia 2014-06-03 Translation as Reparation showcases postcolonial Africa by offering African European-language literature as a case study for postcolonial translation theory, and proposes a new perspective for postcolonial literary criticism informed by theories of translation. The book focuses on translangualism and interculturality in African Europhone literature, highlighting the role of oral culture and artistry in the writing of fiction. The fictionalizing of African orature in postcolonial literature is viewed in terms of translation and an intercultural writing practice which challenge the canons of colonial linguistic propriety through the subversion of social and linguistic conventions. The study opens up pathways for developing new insights into the ethics of translation, as it raises issues related to the politics of language, ideology, identity, accented writing and translation. It confirms the place of translation theory in literary criticism and affirms the importance of translation in the circulation of texts, particularly those from minority cultures, in the global marketplace. Grounded in a multidisciplinary approach, the book will be of interest to students and scholars in a variety of fields, including translation studies, African literature and culture, sociolinguistics and multilingualism, postcolonial and intercultural studies.

Family Sayings Natalia Ginzburg 1989

Italian Colonialism R. Ben-Ghiat 2016-04-30 Italian Colonialism is a pioneering anthology of texts by scholars from seven countries who represent the best of classical and newer approaches to the study of Italian colonization. Essays on the political, economic, and military aspects of Italian colonialism are featured alongside works that reflect the insights of anthropology, race and gender studies, film, architecture, and oral and cultural history. The volume includes many essays by Italian and African scholars that have never been translated into English. It is a unique resource that offers students and scholars a comprehensive view of the field.

Da Capo Graziana Lazzarino 1995-10 Da capo is designed to help intermediate Italian students expand their comprehension of grammar through coordinated readings that illustrate grammar in action.

Dantean echoes Giuliana Adamo 2003

Censorship and Literature in Fascist Italy Guido Bonsaver 2007-01-01 The history of totalitarian states bears witness to the fact that literature and print media can be manipulated and made into vehicles of mass deception. Censorship and Literature in Fascist Italy is the first comprehensive account of how the Fascists attempted to control Italy’s literary production. Guido Bonsaver looks at how the country’s major publishing houses and individual authors responded to the new cultural directives imposed by the Fascists. Throughout his study, Bonsaver uses rare and previously unexamined materials to shed light on important episodes in Italy’s literary history, such as relationships between the regime and particular publishers, as well as individual cases involving renowned writers like Moravia, Da Verona, and Vittorini. Censorship and Literature in Fascist Italy charts the development of Fascist censorship laws and practices, including the creation of the Ministry of Popular Culture and the anti-Semitic crack-down of the late 1930s. Examining the breadth and scope of censorship in Fascist Italy, from Mussolini’s role as ‘prime censor’ to the specific experiences of female writers, this is a fascinating look at the vulnerability of culture under a dictatorship.

Handbook of Perinatal Clinical Psychology Rosa Maria Quatraro 2020-03-26 The book examines the major issues in perinatal clinical psychology with the presence of theoretical information and

Sognando L Africa In Sol Maggiore Pdf Pdf upload Arnold s Williamson

operational indications, through a biopsychosocial approach. The multiplicity of scientific information reported makes this book both a comprehensive overview on the major perinatal mental health disorders and illnesses, and a clinical guide. It covers perinatal clinical psychology through a journey of 15 chapters, putting the arguments on a solid theoretical basis and reporting multiple operational indications of great utility for daily clinical practice. It has well documented new evidence bases in the field of clinical psychology that have underpinned the conspicuous current global and national developments in perinatal mental health. As such, it is an excellent resource for researchers, policy makers, and practitioners – in fact, anyone and everyone who wishes to understand and rediscover, in a single opera, the current scientific and application scenario related to psychological health during pregnancy and after childbirth.

Alexander: Child of a Dream Valerio Manfredi 2001-10 First volume in a trilogy about Alexander the Great.

The Seven Solitudes of Lorsa Lopez Sony Lab’Ou Tansi 1995 The comic tale of women’s liberation in Africa. When a man kills his wife for giving him lice and the police do nothing, an activist woman launches a campaign for women to withhold sex.

Archaeology of the Unconscious Alessandra Aloisi 2019-07-01 In reconstructing the birth and development of the notion of ‘unconscious’, historians of ideas have heavily relied on the Freudian concept of Unbewussten, retroactively projecting the psychoanalytic unconscious over a constellation of diverse cultural experiences taking place in the eighteenth and nineteenth centuries between France and Germany. Archaeology of the Unconscious aims to challenge this perspective by adopting an unusual and thought-provoking viewpoint as the one offered by the Italian case from the 1770s to the immediate aftermath of WWI, when Italo Svevo’s La coscienza di Zeno provides Italy with the first example of a ‘psychoanalytic novel’. Italy’s vibrant culture of the long nineteenth century, characterised by the sedimentation, circulation, intersection, and synergy of different cultural, philosophical, and literary traditions, proves itself to be a privileged object of inquiry for an archaeological study of the unconscious; a study whose object is not the alleged ‘origin’ of a pre-made theoretical construct, but rather the stratifications by which that specific construct was assembled. In line with Michel Foucault’s Archéologie du savoir (1969), this volume will analyze the formation and the circulation, across different authors and texts, of a network of ideas and discourses on interconnected themes, including dreams, memory, recollection, desire, imagination, fantasy, madness, creativity, inspiration, magnetism, and somnambulism. Alongside questioning pre-given narratives of the ‘history of the unconscious’, this book will employ the Italian ‘difference’ as a powerful perspective from whence to address the undeveloped potentialities of the pre-Freudian unconscious, beyond uniquely psychoanalytical viewpoints.

Telephone Tales Gianni Rodari 2020-09-08 Reminiscent of Scheherazade and One Thousand and One Nights, Gianni Rodari’s Telephone Tales is many stories within a story. Every night, a traveling father must finish a bedtime story in the time that a single coin will buy. One night, it’s a carousel that adults cannot comprehend, but whose operator must be some sort of magician, the next, it’s a land filled with butter men who melt in the sunshine Awarded the Hans Christian Anderson Award in 1970, Gianni Rodari is widely considered to be Italy’s most important children’s author of the 20th century. Newly re-illustrated by Italian artist Valerio Vidali (The Forest), Telephone Tales entertains, while questioning and imagining other worlds.

Ordering Africa Helen Tilley 2017-03-01 African research played a major role in transforming the discipline of anthropology in the twentieth century. Ethnographic studies, in turn, had significant effects on the way imperial powers in Africa approached subject peoples. Ordering Africa provides the first comparative history of these processes. With essays exploring metropolitan research institutes, Africans as ethnographers, the transnational features of knowledge production, and the relationship between anthropology and colonial administration, this volume both consolidates and extends a range of new research questions focusing on the politics of imperial knowledge. Specific chapters examine French West Africa, the Belgian and French Congo, the Anglo-Egyptian Sudan, Italian Northeast Africa, Kenya, and Equatorial Africa (Gabon) as well as developments in Britain, France, Germany, Italy, and Switzerland. A major collection of essays that will be welcomed by scholars interested in imperial history and the history of Africa.

Accounting for Dante Justin Steinberg 2007 'Accounting for Dante' examines Dante's relation to his contemporary public, an audience that included poets who responded to Dante's early work as well as those who first copied, preserved, and circulated his poetry. The study reveals the importance of professional, urban classes as cultivators of early Italian poetry.

Juvenilia Giosue Carducci 2019-02-28 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright in the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Courtesy Lost Kristina M. Olson 2014-01-01 In Courtesy Lost, Kristina M. Olson analyses the literary impact of the social, political, and economic transformations of the fourteenth century through an exploration of Dante's literary and political influence on Boccaccio. The book reveals how Boccaccio rewrote the past through the lens of the Commedia, torn between nostalgia for elite families in decline and the need to promote morality and magnanimity within the Florentine Republic. By examining the passages in Boccaccio's Decameron, De casibus, and Esposizioni in which the author rewrites moments in Florentine and Italian history that had also appeared in Dante's Commedia, Olson illuminates the ways in which Boccaccio expressed his deep ambivalence towards the political and social changes of his era. She illustrates this through an analysis of Dante's and Boccaccio's treatments of the idea of courtesy, or cortesia, in an era when the chivalry of the declining aristocracy was being supplanted by the civility of the rising merchant classes.

An Autobiographical Account by a Leading Sardinian Republican Politician of Resistance to Fascism in Sardinia from 1918-1930 Emilio Lussu 1992 Readers seeking to understand the resurgence of fascism in the world today should profit from Emilio Lussu's account. This is an autobiography through which the reader encounters men and women caught up in the brutalizing of a State whose opponents suffer the consequences of holding to principle. In Sardinia in the 1920's a bourgeois class fell easy prey to fascism. Lussu's personal, humorous, warm, perceptive, ironic and telling account of his own humiliation and punishment, affords the reader the unique perspective of a man at the centre of opposition to a movement which would eventually plunge Europe into war.

The Era of the Witness Annette Wieviorka 2006 What is the role of the survivor testimony in Holocaust remembrance? In this book, a concise, rigorously argued, and provocative work of cultural and intellectual history, the author seeks to answer this surpassingly complex question.

African Nights Kuki Gallmann 2000-03-22 Lyrical, beautifully written tales of life in Africa Africa evokes a deep sense of mystery. It is a place that retains what most of the world has lost: space, roots, traditions, awesome beauty, true wilderness, rare animals, and extraordinary people. In this wonderful and haunting collection of stories, Kuki Gallmann writes of her life in Africa, where every day brings challenge and adventure. African Nights is a treasury of memories, in which fascinating people and places are brought to life. The healing powers Africa can have on those who embrace the land as a place of mystery, superstition, danger, and beauty.

The Museum of Non-Objective Painting Tracey R. Bashkoff 2009 Considering in depth the origins of the Solomon R. Guggenheim Museum when it was first known as the Museum of Non-Objective Painting, this volume reveals for the first time the museums complex and sometimes twisted architectural history and the ambitious exhibition programme organized by Hilla Rebay, the museums

founding Director and Curator from 1939 to 1952. Through the extensive correspondence between Rebay and Rudolf Bauer the artist whose work Guggenheim collected exhaustively Karol Vail reveals the important role Bauer played in envisioning the collection and the museum. Fully illustrated throughout, and featuring extensive previously unpublished archival materials, this book provides essential reading and a rich reference of the Guggenheims multifaceted and fascinating history.

The Rise of David Levinsky Abraham Cahan 2023-09-03 Reproduction of the original. The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision.

Ethics, Politics and Justice in Dante Giulia Caimari 2019-06-27 Ethics, Politics and Justice in Dante presents new research by international scholars on the themes of ethics, politics and justice in the works of Dante Alighieri, including chapters on Dante’s modern ‘afterlife’. Together the chapters explore how Dante’s writings engage with the contemporary culture of medieval Florence and Italy, and how and why his political and moral thought still speaks compellingly to modern readers. The collection’s contributors range across different disciplines and scholarly traditions – history, philology, classical reception, philosophy, theology – to scrutinise Dante’s Divine Comedy and his other works in Italian and Latin, offering a multi-faceted approach to the evolution of Dante’s political, ethical and legal thought throughout his writing career. Certain chapters focus on his early philosophical Convivio and on the accomplished Latin Eclogues of his final years, while others tackle knotty themes relating to judgement, justice, rhetoric and literary ethics in his Divine Comedy, from hell to paradise. The closing chapters discuss different modalities of the public reception and use of Dante’s work in both Italy and Britain, bringing the volume’s emphasis on morality, political philosophy, and social justice into the modern age of the nineteenth, twentieth, and twenty-first centuries.

The Conscript Gebreyesus Hailu 2012-01-23 Eloquent and thought-provoking, this classic novel by the Eritrean novelist Gebreyesus Hailu, written in Tigrinya in 1927 and published in 1950, is one of the earliest novels written in an African language and will have a major impact on the reception and critical appraisal of African literature. The Conscript depicts, with irony and controlled anger, the staggering experiences of the Eritrean ascari, soldiers conscripted to fight in Libya by the Italian colonial army against the nationalist Libyan forces fighting for their freedom from Italy’s colonial rule.

Anticipating midcentury thinkers Frantz Fanon and Aimé Césaire, Hailu paints a devastating portrait of Italian colonialism. Some of the most poignant passages of the novel include the awakening of the novel’s hero, Tuquabo, to his ironic predicament of being both under colonial rule and the instrument of suppressing the colonized Libyans. The novel’s remarkable descriptions of the battlefield awe the reader with mesmerizing images, both disturbing and tender, of the Libyan landscape—with its vast desert sands, oases, horsemen, foot soldiers, and the brutalities of war—uncannily recalled in the satellite images that were brought to the homes of millions of viewers around the globe in 2011, during the country’s uprising against its former leader, Colonel Gaddafi.

Da capo Antonio Morena 2010-01-01 This Seventh Edition of the best-selling intermediate Italian text, DA CAPO, reviews and expands upon all aspects of Italian grammar while providing authentic learning experiences (including new song and video activities) that provide students with engaging ways to connect with Italians and Italian culture. Following the guidelines established by the National Standards for Foreign Language Learning, DA CAPO develops Italian language proficiency through varied features that accommodate a variety of teaching styles and goals. The Seventh Edition emphasizes a well-rounded approach to intermediate Italian, focusing on balanced acquisition of the four language skills within an updated cultural framework. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Dante and Philosophy Etienne Gilson 2013-04-16 The object of this work is to define Dante’s attitude or, if need be, his successive attitudes towards philosophy. It is therefore a question of ascertaining the character, function and place which Dante assigned to this branch of learning among the activities of man. My purpose has not been to single out, classify and list Dante’s numerous philosophical ideas, still less to look for their sources or to decide what doctrinal influences determined the evolution of his thought.

The Diary of a Young Girl Anne Frank 2017-12-29 -

The Book of Disquiet: The Complete Edition Fernando Pessoa 2017-08-29 For the first time—and in the best translation ever—the complete Book of Disquiet, a masterpiece beyond comparison The Book of Disquiet is the Portuguese modernist master Fernando Pessoa’s greatest literary achievement. An “autobiography” or “diary” containing exquisite melancholy observations, aphorisms, and ruminations, this classic work grapples with all the eternal questions. Now, for the first time the texts are presented chronologically, in a complete English edition by master translator Margaret Jull Costa. Most of the texts in The Book of Disquiet are written under the semi-heteronym Bernardo Soares, an assistant bookkeeper. This existential masterpiece was first published in Portuguese in 1982,

forty-seven years after Pessoa’s death. A monumental literary event, this exciting, new, complete edition spans Fernando Pessoa’s entire writing life.

Chains Laurie Halse Anderson 2011-08-02 From acclaimed author Laurie Halse Anderson comes this compelling first novel in the historical middle grade The Seeds of America trilogy that shows the lengths we can go to cast off our chains, both physical and spiritual. As the Revolutionary War begins, thirteen-year-old Isabel wages her own fight...for freedom. Promised freedom upon the death of their owner, she and her sister, Ruth, in a cruel twist of fate become the property of a malicious New York City couple, the Locktons, who have no sympathy for the American Revolution and even less for Ruth and Isabel. When Isabel meets Curzon, a slave with ties to the Patriots, he encourages her to spy on her owners, who know details of British plans for invasion. She is reluctant at first, but when the unthinkable happens to Ruth, Isabel realizes her loyalty is available to the bidder who can provide her with freedom.

Images of Colonialism and Decolonisation in the Italian Media Paolo Bertella Farnetti 2017-11-06 The twentieth century saw a proliferation of media discourses on colonialism and, later, decolonisation. Newspapers, periodicals, films, radio and TV broadcasts contributed to the construction of the image of the African “Other” across the colonial world. In recent years, a growing body of literature has explored the role of these media in many colonial societies. As regards the Italian context, however, although several works have been published about the links between colonial culture and national identity, none have addressed the specific role of the media and their impact on collective memory (or lack thereof). This book fills that gap, providing a review of images and themes that have surfaced and resurfaced over time. The volume is divided into two sections, each organised around an underlying theme: while the first deals with visual memory and images from the cinema, radio, television and new media, the second addresses the role of the printed press, graphic novels and comics, photography and trading cards.

Socrates, or on Human Knowledge Simone Luzzatto 2019-08-19 Socrates, Or On Human Knowledge, published in Venice in 1651, is the only work written by a Jew that contains so far the promise of a genuinely sceptical investigation into the validity of human certainties. Simone Luzzatto masterly developed this book as a pièce of theatre where Socrates, as main actor, has the task to demonstrate the limits and weaknesses of the human capacity to acquire knowledge without being guided by revelation. He achieved this goal by offering an overview of the various and contradictory gnosiological opinions disseminated since ancient times: the divergence of views, to which he addressed the most attention, prevented him from giving a fixed definition of the nature of the cognitive process. This obliged him to come to the audacious conclusion of neither affirming nor denying anything concerning human knowledge, and finally of suspending his judgement altogether. This work unfortunately had little success in Luzzatto’s lifetime, and was subsequently almost forgotten. The absence of substantial evidence from his contemporaries and that of his epistolary have thus increased the difficulty of tracing not only its legacy in the history of philosophical though, but also of understanding the circumstances surrounding the writing of his Socrates. The present edition will be a preliminary study aiming to shed some light on the philosophical and historical value of this work’s translation, indeed it will provide a broader readership with the opportunity to access this immensely complicated work and also to grasp some aspects of the composite intellectual framework and admirable modernity of Venetian Jewish culture in the ghetto.

The Forests of Norbio Giuseppe Dessì 1975

Trionfi Francesco Petrarca 2018-10-07 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. Agamben and the Signature of Astrology Paul Colilli 2015-10-16 The work of Giorgio Agamben, one of the world’s most important living philosophers, has been the object of much scrutiny. Yet, there is one dimension of his thought that remains unexamined by scholars: the presence of the ancient science of astrology in his writings. This book, the first of its kind, identifies the astrological elements and explains the implications of their usage by Agamben. In so doing, this study challenges us to imagine Agamben’s thought in a radically new light. A critical account of the presence of astrology and related themes in Agamben’s writings, ranging from the earlier works to the more recent publications, illustrates that the astrological signature constitutes a mode of philosophical archaeology that allows for an enhanced understanding of concepts that are central to his works, such as potentiality, the signature, bare life and biopolitics.
