A crown woven together by lies. A kingdom with the power to unravel them. Four Reaches. Four brides. Only a fortnight separates the young women from becoming reluctant queens of the usurper king, Eoghan Rhiagain. Twenty years earlier, King Eoghan's father cunningly devised marriages between the highborn sons and daughters of the oft-warring Reaches, sealing the unions before they could protest, shattering existing betrothals in place of forced alliances. Now, Eoghan, the cruel boy king who stole his crown through murder, demands the eldest daughters of these unions. To accept is unfathomable. To refuse is treason. The lords and ladies of the kingdom have no choice but to prepare their beloved daughters for the horrors ahead. But they'll soon discover there are no longer any daughters left to present. All four have disappeared, painting the world with their rebellion. Theirs is not the only rebellion. Across the kingdom, little fires light within. From the enigmatic sorcerers in the northern mountains, to the magi who both wield and regulate the kingdom's magic, and beyond... to a place where two prisoners are not what they seem. **The Rules of Magic** Alice Hoffman 2017-10-10 An instant New York Times bestseller and Reese Witherspoon Book Club pick from beloved author Alice Hoffman—the spellbinding prequel to *Practical Magic*. Find your magic. For the Owens family, love is a curse that began in 1620, when Maria Owens was charged with witchery for loving the wrong man. Hundreds of years later, in New York City at the cusp of the sixties, when the whole world is about to change, Susanna Owens knows that her three children are dangerously unique. Difficult Franny, with skin as pale as milk and blood red hair, shy and beautiful Jet, who can read other people's thoughts, and charismatic Vincent, who began looking for trouble on the day he could walk. From the start Susanna sets down rules for her children: No walking in the moonlight, no red shoes, no wearing black, no cats, no crows, no candles, no books about magic. And most importantly, never, ever, fall in love. But when her children visit their Aunt Isabelle, in the small Massachusetts town where the Owens family has been blamed for everything that has ever gone wrong, they uncover family secrets and begin to understand the truth of who they are. Yet, the children cannot escape love even if they try, just as they cannot escape the pains of the human heart. The two beautiful sisters will grow up to be the memorable aunts in *Practical Magic*, while Vincent, their beloved brother, will leave an unexpected legacy. Alice Hoffman delivers “fairy-tale promise with real-life struggle” (The New York Times Book Review) in a story how the only remedy for being human is to be true to yourself. Thrilling and exquisite, real and fantastical, *The Rules of Magic* is “irresistible...the kind of book you race through, then pause at the last forty pages, savoring your final moments with the characters” (USA TODAY, 4/4 stars).

The girl blinked again as she examined, with deep curiosity, the pink egg-shaped thing in her hand. "Don't make me wait. Put it inside," the man ordered and Abi swallowed. Abi had no idea whatsoever as to what this thing was. She had never seen anything like this before. She wanted to ask him what this thing was and what he meant by 'put it inside' but the man was so serious, she was afraid she'd fail the test if she showed him that she didn't even know what this was. "Is this clean?" was what she asked instead and the man half-smiled. "It. Is. Very. Clean." He stressed out every word. Still unsure about what to do, Abi hesitantly looked at him and then in the next second, she put it inside her mouth. Excerpt #2 "All you have to do is follow three rules, Abigail..." He started and Abigail held her breathe in anticipation. She was a little nervous. "First, you will be home before or during twilight. Any later than that and you'll be punished. Understand?" Abi blinked. She didn't expect that this was actually his first rule. "I understood... I just thought that my curfew is pretty early." She trailed off but Alexander just looked at her with eyes silently saying the words 'my house, my rules'. "Second, while you're in this house, you will listen to no one but me. Only do what I ask you to do. Understand?" Abi nodded again. "And last, but not the least -" "I won't ask or demand for your love. Got it." Abi took the words out of his mouth and Alexander eyes glittered with something she couldn't fathom, as a smile curved on his face. \_\_\_ Instagram account: kazzenlx.x facebook page: author\_kazzenlx Discord server: <https://discord.gg/UGTA3A4> Donations: <https://www.paypal.me/kazzenlx>

The Lost Book of the White Cassandra Clare 2020-09-01 From #1 New York Times bestselling authors Cassandra Clare and Wesley Chu comes the second book in the Eldest Curses series and a thrilling new adventure for High Warlock Magnus Bane and Alec Lightwood, for whom a death-defying mission into the heart of evil is not just a job, it's also a romantic getaway. The Lost Book of the White is a Shadowhunters novel. Life is good for Magnus Bane and Alec Lightwood. They're living together in a fabulous loft, their warlock son, Max, has started learning to walk, and the streets of New York are peaceful and quiet—as peaceful and quiet as they ever are, anyway. Until the night that two old acquaintances break into Magnus's apartment and steal the powerful Book of the White. Now Magnus and Alec will have to drop everything to get it back. They need to follow the thieves to Shanghai, they need to call some backup to accompany them, and they need a babysitter. Also, someone has stabbed Magnus with a strange magical weapon and the wound is glowing, so they have that to worry about too. Fortunately, their backup consists of Clary, Jace, Isabelle, and newly minted Shadowhunter Simon. In Shanghai, they learn that a much darker threat awaits them. Magnus's magic is growing unstable, and if they can't stop the demons flooding into the city, they might have to follow them all the way back to the source—the realm of the dead. Can they stop the threat to the world? Will they make it back home before their kid completely wears out Alec's mom?

*The DAO of Magic* Andries Louws 2018-09-23 Now, get the eBook for free with a physical copy to celebrate the release of book 2!. I'm Drew Liam, a cultivator, a human being capable of crushing mountains and rerouting rivers with a flick of my fingers. But seriously though, I'm sitting on a mountain so far away from civilisation it might as well be the godforsaken arse of the world and these control freaks still won't leave me alone. I'm about to ascend and can't wait to leave this crapfest of a planet. Turns out, the powers-that-be decided that an unaffiliated rogue like me is too big of a risk to let run around free. So they sent all the sect-, organisation- and churchmasters, hidden Dao protectors and other bigshots my way to

kill me. This failed, obviously. I managed to ascend in a glorious shower of divine power and ascend, after which someone else managed to bitch slap me to another dimension altogether, unfortunately. Long story short, I just woke up in a valley watching some critters murder each other while trying not to freak out about how bad it smells here. Soo... where the fuck am I? Why is that deer fighting a feathery squirrel? Why am I teaching this baby rabbit saved from a cannibalistic mother how to kick beings in the face with the power of qi? Fuck it, let's just kidnap some clueless kids and teach them the wonders of the supernatural power called qi, alright? Why not have them call me 'Teach' in the meantime? I secretly do enjoy causing pain in the name of education, after all. Come join Drew as he adventures across a rather primitive medieval, low magical fantasy planet while trying to regain his status as a cultivator who spits in the face of the heavens and the earth.
