No Filter and Other Lies Crystal Maldonado 2022-02-08 You should know, right now, that I'm a liar. They're usually little lies. Tiny lies. Baby

lies. Not so much lies as lie adjacent. But they're still lies... Golden-haired Max Monroe has it all: beauty, friends, and tons of followers. Her picture-perfect existence seems eminently enviable. Except it's all fake. "Max" is actually Kat Sanchez, a quiet and sarcastic 17-year-old living in drab Bakersfield, California. Nothing glamorous about her existence—just bad house parties, a crap school year, and the awkwardness of dealing with best friend Hari's unrequited love. But while Kat's life is far from perfect, she thrives as Max: doling out advice, sharing beautiful photos, networking with fans, even finding a real friend (or more?—Is Kat into girls!?) in a gorgeous Fat follower named Elena. But the closer Elena and "Max" get, the more Kat feels she has to keep up the façade. "Max" is the first time people have really listened to what Kat has to say—and after a lifetime of invisibility (including ice-cold indifference from her parents) can she really give that up? But when one of Kat's posts goes viral and gets back to the girl she's been stealing photos from, her entire world—real and fake—comes crashing down around her. Can she escape the web of lies she's woven without hurting the people she loves? This insightful, provocative novel—hilarious and raw by turns—is the second book from Crystal Maldonado, author of smash-hit *New England Book Award Winner Fat Chance*, Charlie Vega. Brilliantly plotted, deeply sensitive, and rich in voice, *No Filter and Other Lies* deftly addresses FOMO, first love, one-sided love, frayed family ties, raced exclusion on social media, queer awakenings, and learning to live with—and love—yourself. Because the most powerful lies are the lies we tell ourselves. A POPSUGAR Best YA! A Seventeen Best YA!

The Hands-Off Manager Steve Chandler 2012-03-22 "A liberating read that will cause you to act in your own best interests and the best interests of everyone working within your sphere of influence." —John Hoover, New York Times—bestselling author of *How to Work for an Idiot*

The number one reason cited in exit interviews for an employee quitting is "my manager." This can be for multiple reasons—including one that many managers and executives aren't even aware of: Today's employees simply don't respond to the old hands-on, militaristic management styles. They are highly independent, individual professionals with their own fully developed ideas. Leaders and managers who try to micromanage them will inevitably confront widespread disgruntlement, absenteeism, and turnover . . . and increase their own and their employees' stress levels. *The Hands-Off Manager* offers a new vision for all managers. With stories, examples, and activities for the reader to practice, this book shows any manager—new or seasoned—how to coach and mentor employees rather than hover over their shoulders and goad them into action. In this system, each employee's strength is honored and honed in a climate of partnership and mutual goal-setting—a powerful ingredient for organizational growth and success.

Half-Lived Life John Lee 2011-12-20 "So this is my life? What happened to the person I thought I might be at this stage of the game? Where did that person go? Why am I feeling like I'm just treading water, trying to stay one step ahead of my bills and obligations. Anyway, I'm just too tired at this point to try to figure out where that other person went. But I sure expected to be living a different life than this one." Most people in their forties, fifties, and beyond catch themselves saying something similar to this. Everyone has a mental image of the person they want to be, but few of us actually fulfill these wishes. Once people realize they are living a completely different life than they'd envisioned, they often think it is too late to change and carry on with the same old habits. Too many people settle for a half-lived life. Best-selling author John Lee has long been addressing the fallacy of this attitude in talks and workshops—and now he sets this program into book form. In *The Half-Lived Life*, he introduces and explains how passivity holds us hostage to old ways of doing things—and provides solutions on escaping this paralyzing state of mind, body, and spirit while increasing our emotional intelligence (EQ). He also shows the freedom to be gained via compassionate assertiveness—an outgrowth of setting boundaries and enforcing limits. Just as Lee's seminars have successfully led many to find their authentic self in the second half of their life, so too will this book.

Chandler's new edition also tunes, polishes, and strengthens the many popular and inspiring chapters from previous editions of this book, making them even more useful and relevant in today's rapidly changing, globalized world. The old psychological models that focused on past hurts and traumatic memories have given way to exciting new breakthroughs, like Dr. Martin Seligman's work on post-traumatic strength and Dr. George Pransky's work on human beings' innate resilience and well-being. No more fixating on psychic wounds that occurred in childhood. Chandler's new revision looks at the work of both of those pioneers and makes optimism available to people who never believed they could reinvent their old ways of being.

I Hear You God....but HOW? Pastor Kj 2011 Do you remember what it was like when you were learning to walk? What about when you learned to tie your shoes or learned to count? Most of us have no recollection of the process that we personally went through to achieve these milestones in life and yet we can do them without much thought today. There was probably a time of frustration and confusion while we were learning, and although we may not remember, we may have even wanted to give up. The same can be said at times for things in our walk of faith. The journey to becoming all that God has called you to be is not a road easily

travelled. There are constant frustrations, hindrances, questions, and distractions that you will encounter. Unlike the child who is constantly pushed to succeed by adults in their life, you have the ability to stop trying and say, "Enough is enough!" Have you ever been there? You should know that God will never ask you to do something that He is not willing to enable you to do. There have been times in my life that God has asked me to do something and all I could say is, "I hear you God, but how?" What God has shown me is that once I get rid of whatever lie from the enemy that is holding me down and just make up my mind to enable His Holy Spirit to work through me, I really can do all things through Christ! This book is merely a beginning step in your journey. As you read it, I pray that whatever issue, struggle, goal or task that God has called you to address, you will find a process that will take you even closer to a walk of obedience.

The Story of You (And How to Create a New One) Steve Chandler 2006-08-15 On the heels of his successful 100 Ways to Motivate Yourself and 9 Lies That Are Holding Your Business Back, motivational speaker and author Steve Chandler has written what he considers his most important work, The Story of You. In the tradition of Stephen Covey's 7 Habits of Highly Effective People and M. Scott Peck's The Road Less Traveled, Chandler's tale of personal growth transcends all categories, with elements of psychology, business, self-help, and contemporary social commentary. With humor and biting critiques, Chandler exposes people's false ego stories for what they are and reveals the source of all success: the inner energy of will and spirit. Filled with candid dialogue from pivotal coaching sessions that Chandler has conducted (and been the subject of!), this book is a dramatic exposure of how we hold ourselves back by the stories we believe about ourselves and then project to the world. Chandler breaks new ground with revelations and fresh interpretations about personalities as diverse as: Elvis Presley, Vincent Van Gogh, Governor Bill Richardson, Dr. Andrew Weil, Hugh Hefner, and Mark Twain. By exposing your stories as the most false and limiting part of your lives, Chandler invites you into a new world of action and creative accomplishment. The Story of You will mesmerize you, stripping away

the made-up limitations society asks you to believe and giving you back a fresh new life story.
